

NICOLA

NINETEEN THIRTY FIVE

Bernard Lamy

Dear Bernard,

Thanks for being
so sweet in what you
said in my annual.
I'm just as sorry as
you that we could
not keep up with
the swell times we
were having. I would
like to be friends
with you. I hate to

have anybody angry with me.

We've had some good times and
we've had — (see if you can
fill that in.) I was going to, but
no (guts.) Well, best of luck and
have a good time hitch-hiking.

Please take care of yourself, so
we can see you next year.

Don't quit the band, either.

That is the only good thing in M.H.S.

Sincerely,

Millie Klepfel

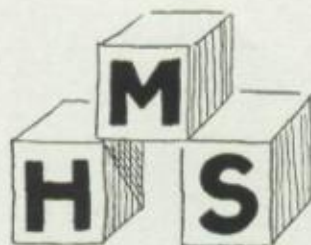

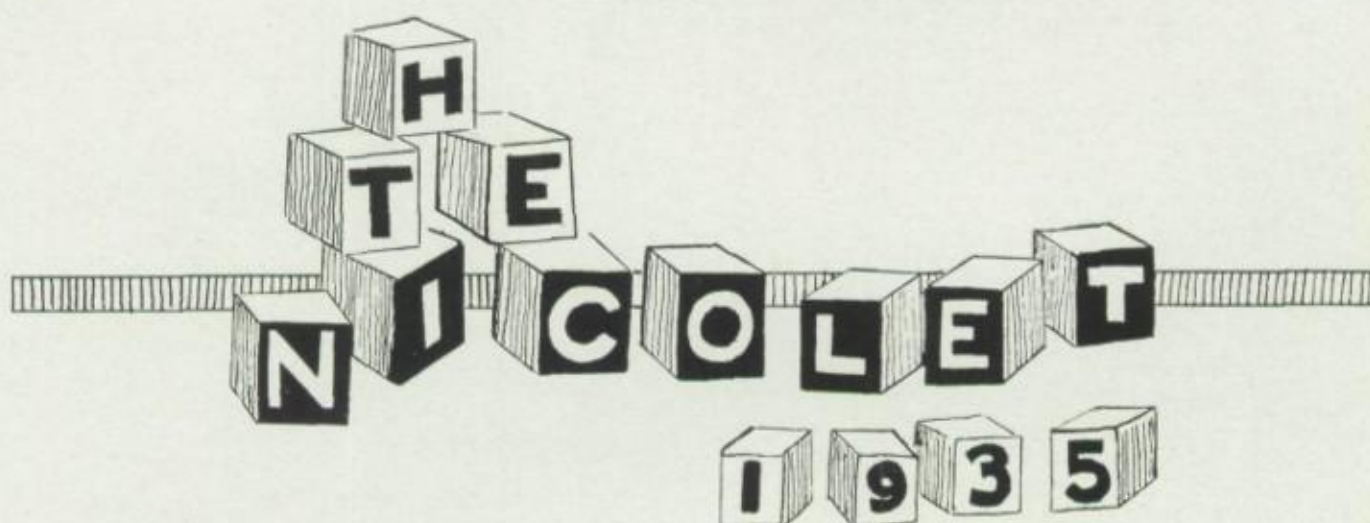

Dear Bernard,
I wish you success & luck
& hope I remain as a friend.

Your friend,
"Benny" W. Trolldenier

Foreword

If, in glancing through the pages of this book in years to come, the doors of memory should open to reveal to us again the happy friendships, the colorful events, the inspiring moments of our high schools days, then it is well this Nicolet is published.

Bernard —:

I don't know you very well but from what I hear you must be swell. I just must acquaint myself. Is this okay? Well any way —: Success in everything you do — even in some "cases".

Sincerely,
Leahel Weyler
"38" (maybe)

Sincerely
Mam.

Dedication

To our mothers and fathers who were the first to arouse our interest in "Mother Goose", who have given us of their life and love, and whose sacrifices will ever be an inspiration, we, the class of 1935, gratefully dedicate this Nicolet.

Sincerely
Doris Defina

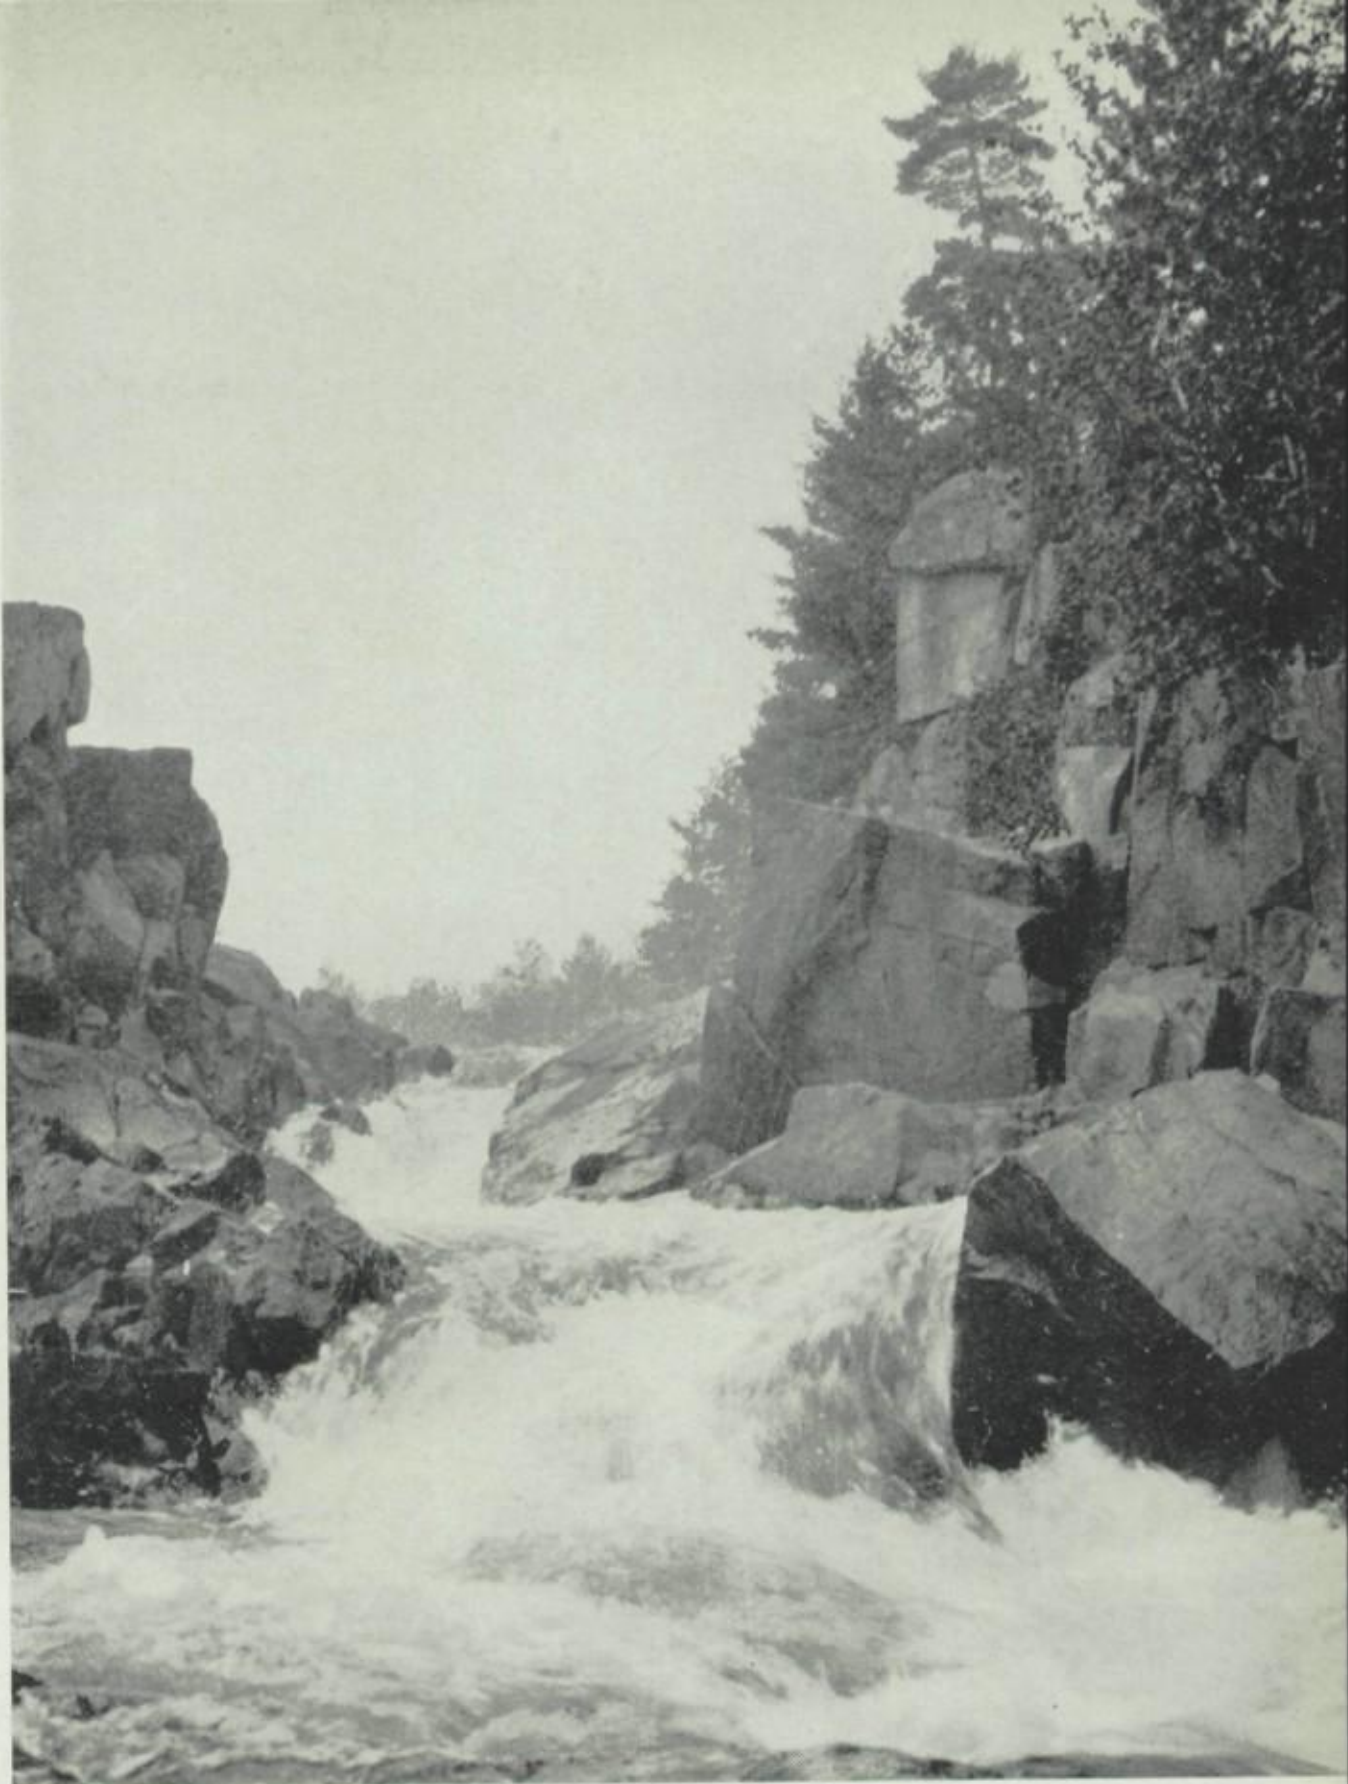

*Lights of home and lights of love
Hold the child the heart thereof.*

*Time flies on swift-moving feet
While passing through a child's retreat.*

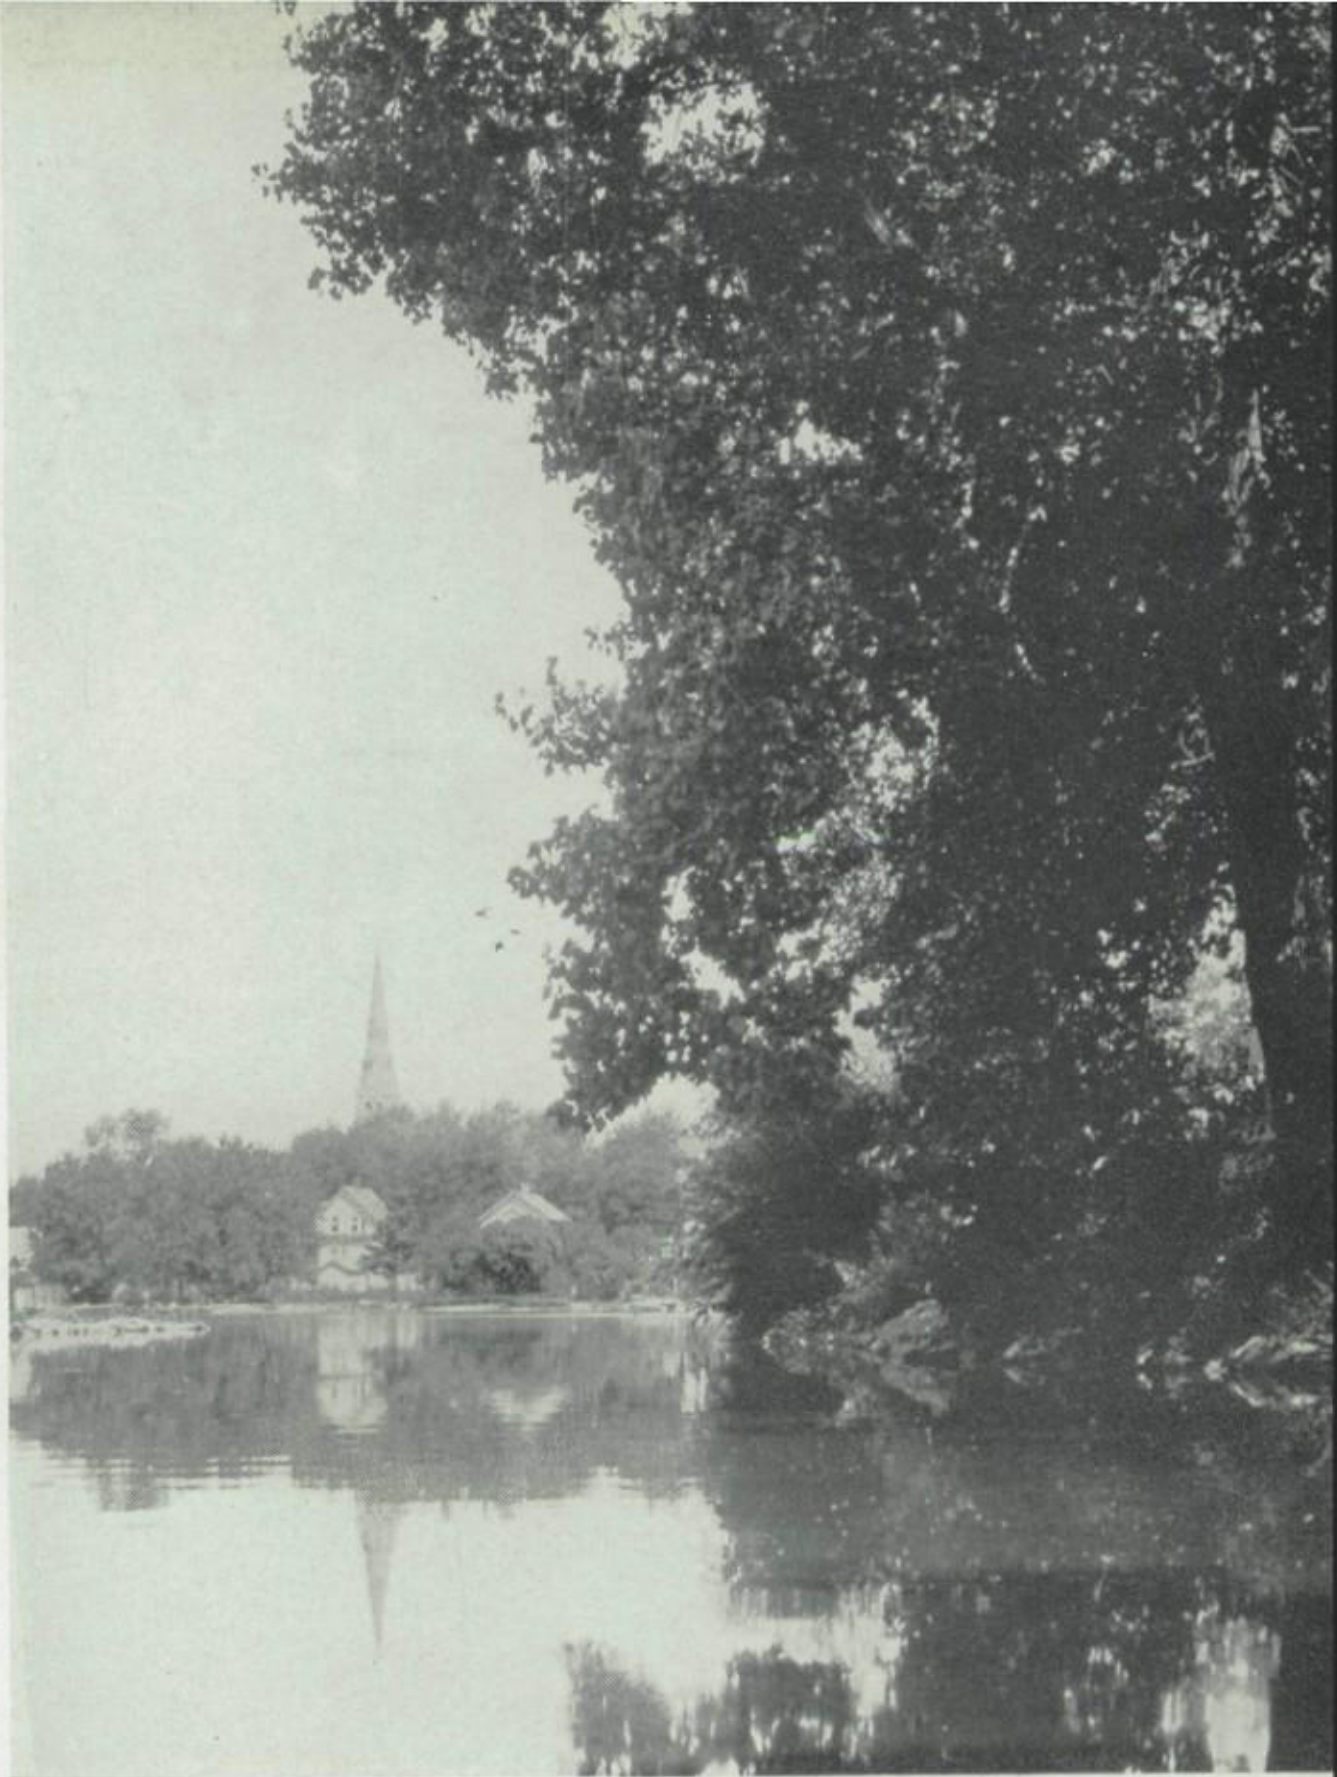

*Water, trees, and soft white sand
Hold young and old in one great band.*

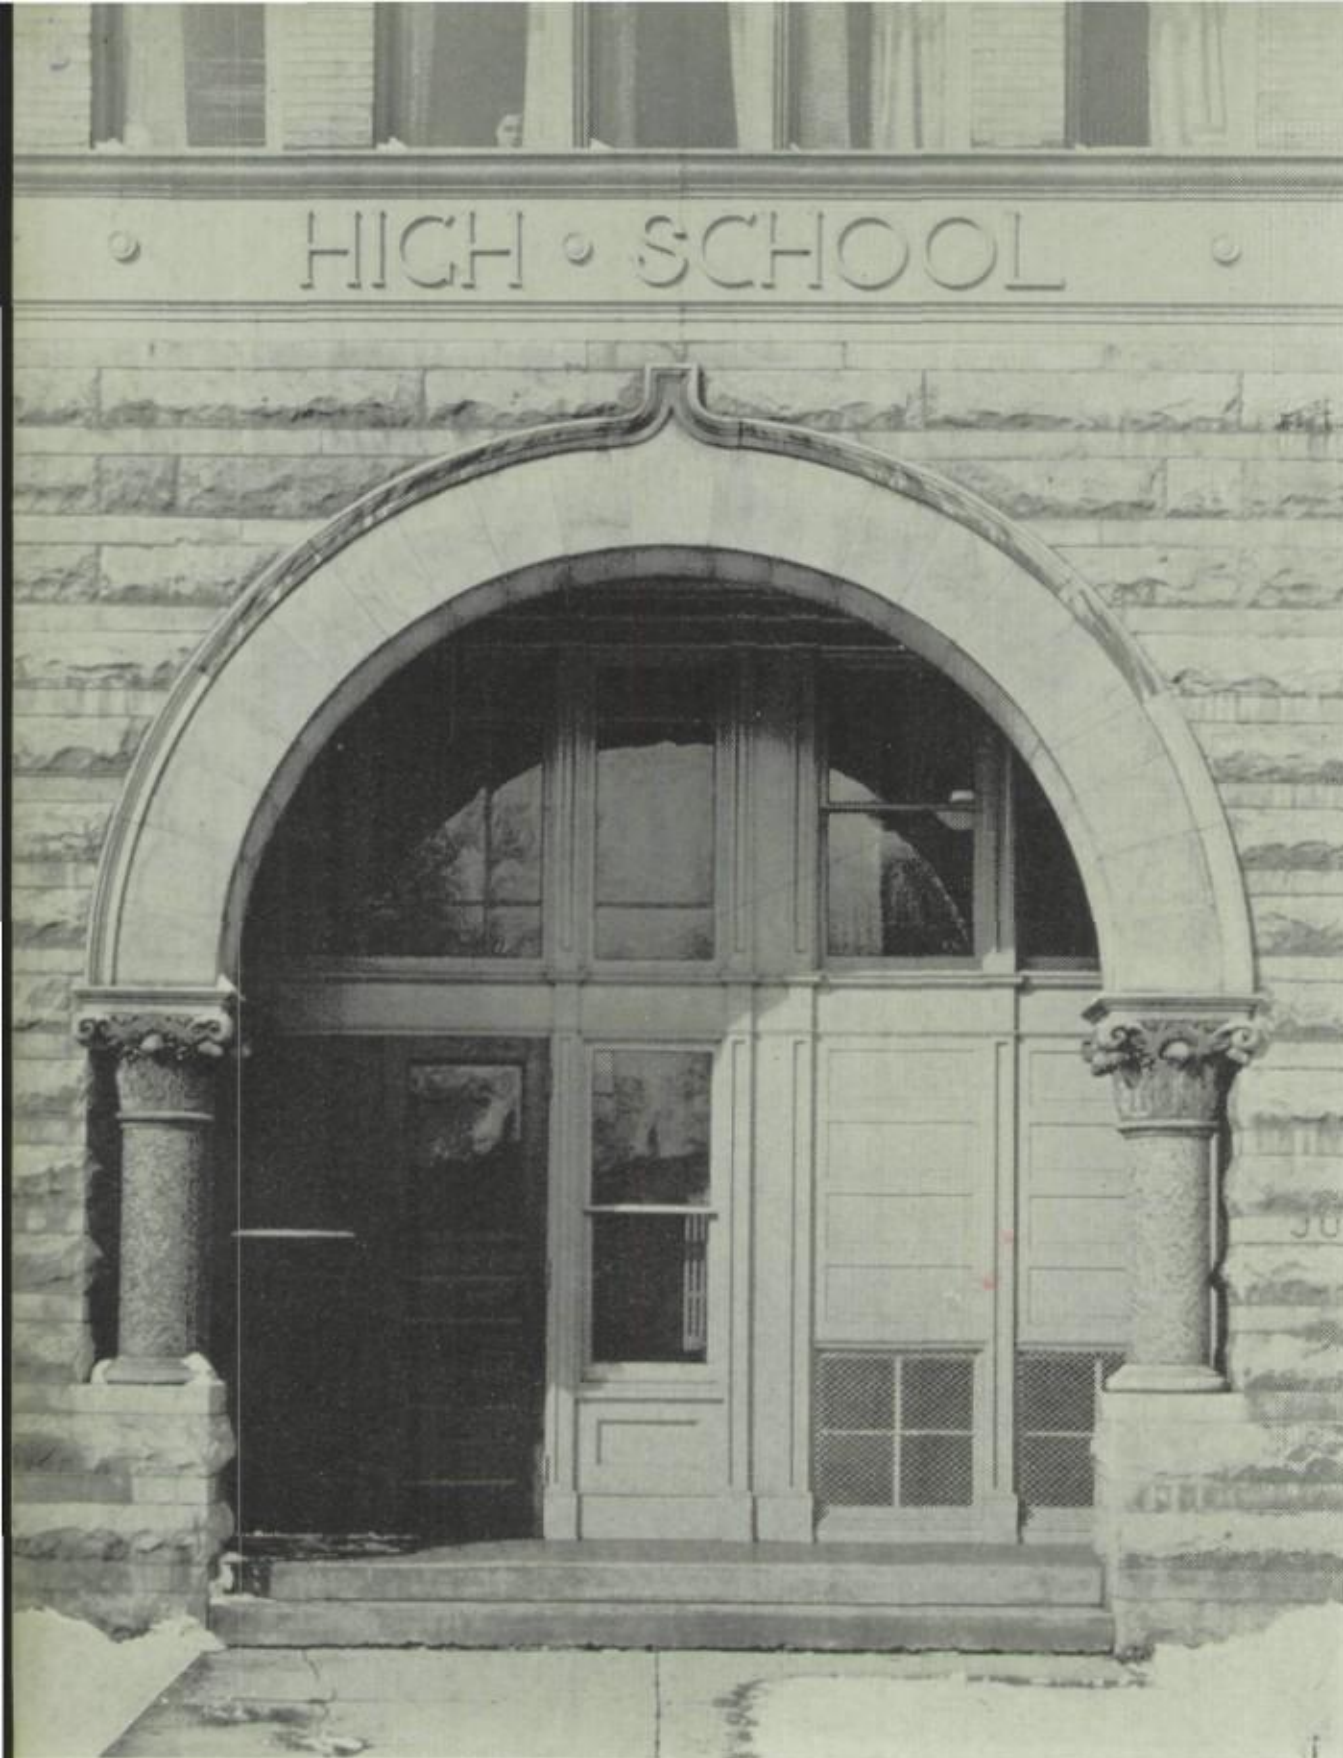

*Rushing water, rocks, trees, blue sky
Make vacation days speed gayly by.*

*Woodland paths invite us then,
To tread the way together again.*

*Home, school and church, throughout our land,
Help youth his course in life to plan.*

*The doorway of our school recalls
Memories cherished by one and all.*

F. B. Younger

Mr. F. B. Younger

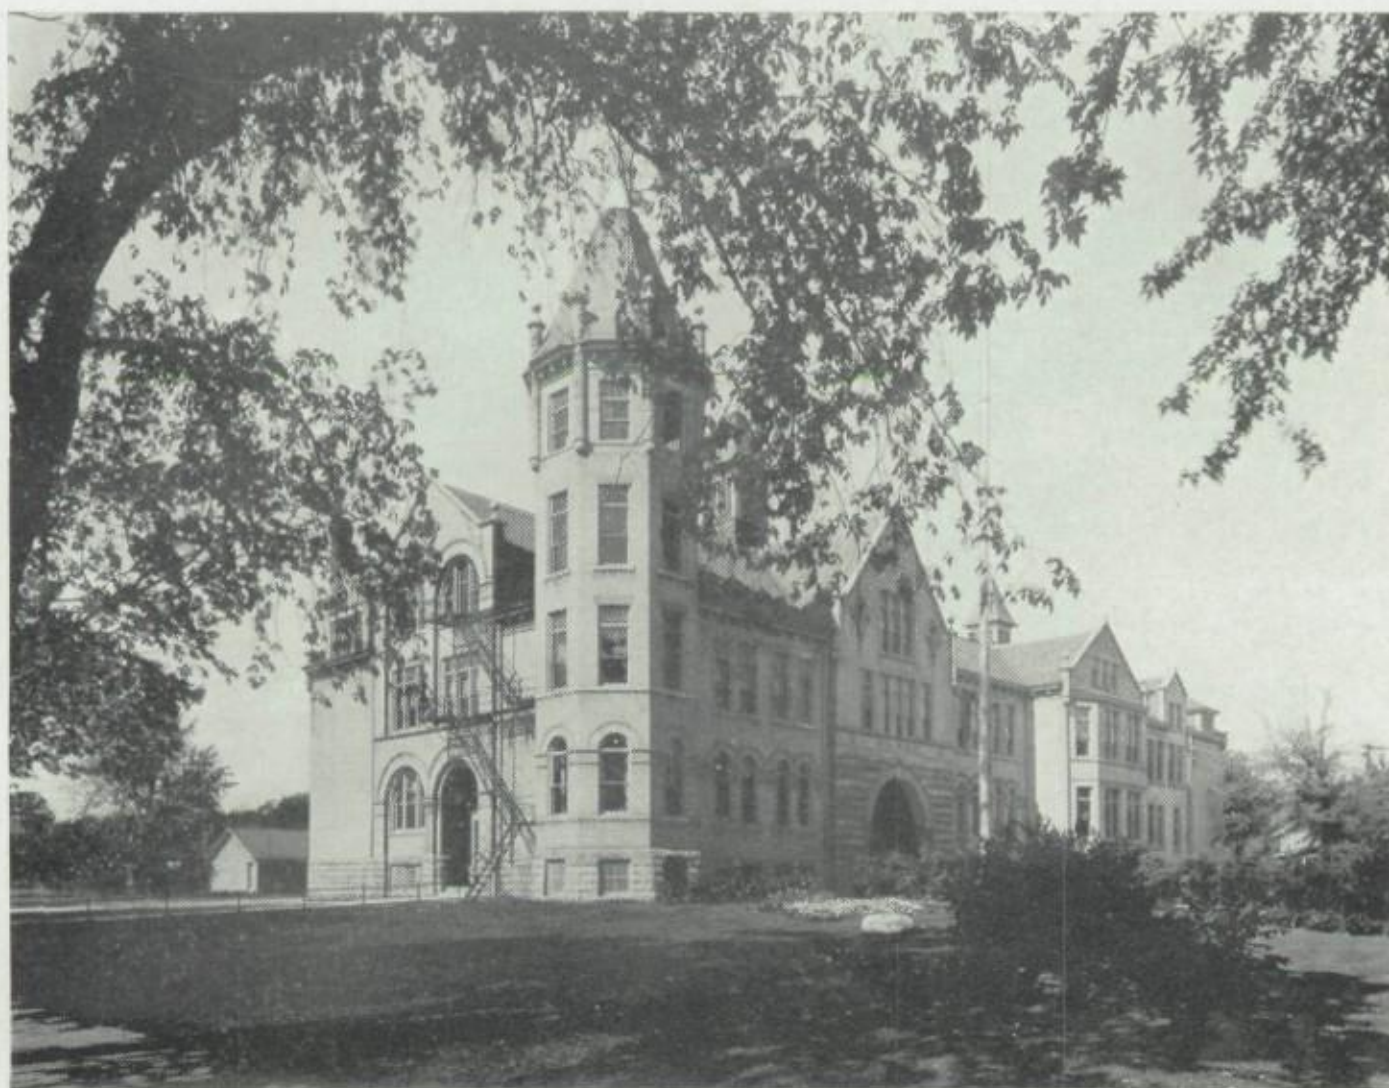

Superintendent

WHAT impresses me most on coming to Menasha high school in the middle of the year? The answer to this question is easy. It is the spirit of friendliness. When we arrive the first thing in the morning, our rural pupils greet one with a friendly "Good Morning." Throughout the day this same spirit permeates the entire school.

In trying to discover the source of this attitude my attention is turned to our seniors. I learn that there is to be graduated this year a most unusual class, a group with ability, enthusiasm, and courage; a group known for its friendliness.

I wish to take this opportunity to congratulate the class of 1935. My hope for you is that as you go to other schools or perhaps to a job, you will continue to cultivate friendliness and make it a habit of your life. I wish you God Speed!

Menasha High School

"STILL sits the school house by the road"—years may come and years may go—classes graduate, new classes appear—new teachers—conditions and courses change—but the school goes on as ever.

Although the building is an ancient and decrepit model, outmoded by the other schools that have sprung up about it, and staggering more each year under its additional burdens, even under the crowded conditions which exist, the administration maintains a system that can be compared to advantage with the best in the state.

The equipment with which the students work, is as modern and convenient as any, however, and the pupils are given all the advantages, with few of the disadvantages of a large school.

And now we wish to enter an earnest plea, for the sake of those who follow in our footsteps, classes of next year and many years to come, for a new high school building, that will measure up to the standards set by the student body and the administration.

J. C. Riley, W. H. Jensen, F. Pankratz, H. E. Landgraf, F. B. Younger, C. E. Pierce.

Board Of Education

 MENASHA high school's Board of Education consists of five members, who are selected from each ward in the city, and the superintendent of schools who sits in at the meetings. The members of the board are: Mr. C. E. Pierce, president; Mr. William Jensen, vice president; Mr. H. E. Landgraf, secretary; Mr. Frank Pankratz, and Mr. Joseph Riley.

The board meets in the office of the superintendent of schools, the second Wednesday of each month. The city council appoints two of the members one year, and three the next year, so that former members will always be on the board.

The Board of Education has a great many things to take care of—namely, they must adopt plans for the schools, purchase the necessary equipment for the schools, they must employ the necessary help needed around school, fix compensation and prescribe duties for each person who is appointed by the board, estimate expenses, which must be approved by the common council.

These men give their time and energy, gratis, to develop a public school system which will benefit the whole city, and that will rank highly with the best in the state.

R. J. Fieweger, F. J. Oberweiser, S. E. Crockett, L. W. Whitmore, F. B. Younger, R. M. Sensenbrenner.

Board of Vocational Education

 IN EVERY town, village, and city of over five thousand inhabitants there is required a local board of vocational education, and its work is to establish, foster, and maintain vocational schools for instruction in trades and industries, commerce and household arts in part-time day, all-day and evening classes.

The Menasha vocational board consists of: Mr. L. W. Whitmore, president; Mr. F. J. Oberweiser, vice president; Mr. R. J. Fieweger, secretary; Mr. R. M. Sensenbrenner, and Mr. F. B. Younger, who is an ex-officio member.

English, citizenship, arithmetic, and geography are the general courses given to vocational students. Boys are given courses in machine shop, printing, woodwork, mechanical drawing and science. Besides taking the general courses, girls take a course called home-making, which includes foods and clothing.

Evening school courses are home economics, commercial, printing, business English, French, general economics, arts and crafts, nursing, personal improvement, trade extension courses, and gymnasium classes for men meeting on Monday and Thursday nights from seven until nine.

Assistant Principal

MR. A. J. ARMSTRONG, assistant principal, is the disciplinarian of the high school. Disheartened students may go to his office with assurance of kindly advice and willing aid. His sincere interest in each student as an individual is evidenced by his impartiality and method of discipline.

Teachers, too, are kept constantly on the alert—watchful for one of his frequent jokes. He is the source of many of the pranks that are played upon our instructors. They all like him and, therefore, there is harmony and cooperation between his office and the faculty.

He is also assistant basketball and football coach and always turns out an excellent "B" squad, because the boys enjoy working for him.

Incidentally, his classes are among the most interesting in the whole high school. Courses in social science, history, civics, social problems and economics are conducted by Mr. Armstrong in an all together fascinating style. He claims and holds the interest of his pupils, and there is no sleeping during these periods.

THE NICOLET

MISS DAISY ACKER, Sheboygan, Wis.—

Miss Acker lays the foundation for the shorthand and typing classes and gets along with her students because she understands them.

MISS MOLLIE BASING, Menasha, Wis.—

Although Miss Basing teaches the vocational opportunity room, we all know her through her willing cooperation in art work of any kind.

MISS ISABEL BIDDLE, Clarksville, Tenn.—

Miss Biddle came to us in the latter part of '34. She is head of the English department and is a capable adviser to the Nicolet staff.

MR. N. A. CALDER, Menasha, Wis.—

There is no one on the high school faculty better liked or more respected than Mr. Calder—"Coach." His goodwill has made him extremely popular.

MR. W. J. CHAPITIS, Rumford, Maine—

Brilliant? Witty? Subjects lose their drabness when colored by his humorous comments. Mr. Chapitis is adviser of the Nicolet News and instructor in languages.

MISS HELEN CORRY, Menasha, Wis.—

Through her genial manners, Miss Corry has made the rather difficult study of freshman and sophomore English easier and more interesting.

MR. S. E. CROCKETT, Menasha, Wis.—

Talking to Mr. Crockett invariably encourages a smile—as he has gained fame as a dry-humorist. He teaches mechanical drawing and heads the vocational department.

MISS ISABEL DOUGLAS, Brandon, Wis.—

Miss Douglas is the type that students remember and speak well of all through their lives. She has helped many students in forming sound foundations.

MR. R. G. DUCHARME, Menasha, Wis.—

Besides being a capable manual arts instructor, Mr. DuCharme is popular because of his sense of humor and his interest in all school activities.

MRS. SIGRID DUDLEY, Marinette, Wis.—

Through the untiring efforts of our school Registered Nurse many families are kept in good health. Mrs. Dudley wins the confidence of all.

*Good Luck
everything
Lillian*

THE NICOLET

MISS LILLIAN FAHRBACH, Menasha, Wis.—Smiles greet us when we purchase paper and pencils, and efficient hands give us tickets to games. We are fortunate in having such a capable secretary.

MISS JEANETTE FOX, Chilton, Wis.—Through her work with the Girls' Athletic association, Miss Fox, our charming librarian, has shown her ability to understand students.

MR. M. J. GEGAN, Menasha, Wis.—As an aid in our scientific research, Mr. Gegan has brought a deeper understanding and interest in the scientific world to us.

MR. H. O. GRIFFITH, Menasha, Wis.—The number of graduates employed in printing in Menasha speaks well for the instruction of Mr. Griffith who also is adviser for the Printers' club.

MISS MARTHA HERMAN, Manawa, Wis.—The vocational school owes much to Miss Herman for efficient instruction. Her schools were Stevens Point college and the University of Wisconsin.

MISS AMELIA HORN, Barron, Wis.—Miss Horn has proved herself a true supporter of high school activities. She has charge of vocational home economics classes.

MISS DOLORES KASEL, Menasha, Wis.—Miss Kasel, dental hygienist, has fulfilled her position well. She is new to the high school this year, and already she has hosts of friends.

MR. L. E. KRAFT, Menasha, Wis.—You can drop into the band room at almost any time and find Mr. Kraft giving special lessons. He works hard and turns out championship bands.

MR. L. E. LINDQUIST, Menasha, Wis.—Our genial manual arts teacher is well known by the students in his woodworking classes. His popularity is shown by the number of his pupils.

MISS HAZEL LOPAS, Menasha, Wis.—Service seems to be her motto. Miss Lopas' cheery smile greets us in the hall and on the stairways, as she goes about her duties as office assistant.

L. E. Lindquist

THE N I C O L E T

MISS GLADYS MAHAR, Menasha, Wis.—

No wonder so many girls enjoy the classes in clothing and foods when they may take these courses from such a capable instructor.

MISS VERA MARSHALL, DePere, Wis.—

Sincere interest in solving the individual difficulties that occur in the typing and shorthand classes has won admiration for Miss Marshall.

MISS SIGRID PAULSON, Sturgeon Bay, Wis.—

Miss Paulson's sincere interest in her history and civics students is unlimited and many a mind is cleared by her concise sentences.

MISS MURIEL SCHRAGE, Oak Park, Ill.—

Lights, action, camera! Miss Schrage, director of the high school theatricals, was new to Menasha this year, and has already shown her ability.

MISS LUCILLE SCHWARTZ, Menasha, Wis.—

Her friendly personality and good will have earned our high school debate coach many friends. Miss Schwartz also teaches the seventh grade.

MR. H. L. SHERMAN, Menasha, Wis.—

As a vocational teacher, Mr. Sherman ranks with the best, and he makes a good headlinesman at football games, too.

MISS CAROL WALKER, Markesan, Wis.—

Coupled with that discrimination needed in a mathematics teacher, Miss Walker has a genial disposition which has won her a host of friends.

MR. L. A. WIENBERGEN, Platteville, Wis.—

Mr. Wienbergen is assistant band director, and also has charge of the general science and biology classes. His first year at Menasha High, yet how well known he is!

Senior Advisers: Miss Isabel Biddle, Miss Sigrid Paulson, Mr. M. J. Gegan

Junior Advisers: Mr. W. J. Chapitis, Miss Daisy Acker, Miss Jeanette Fox

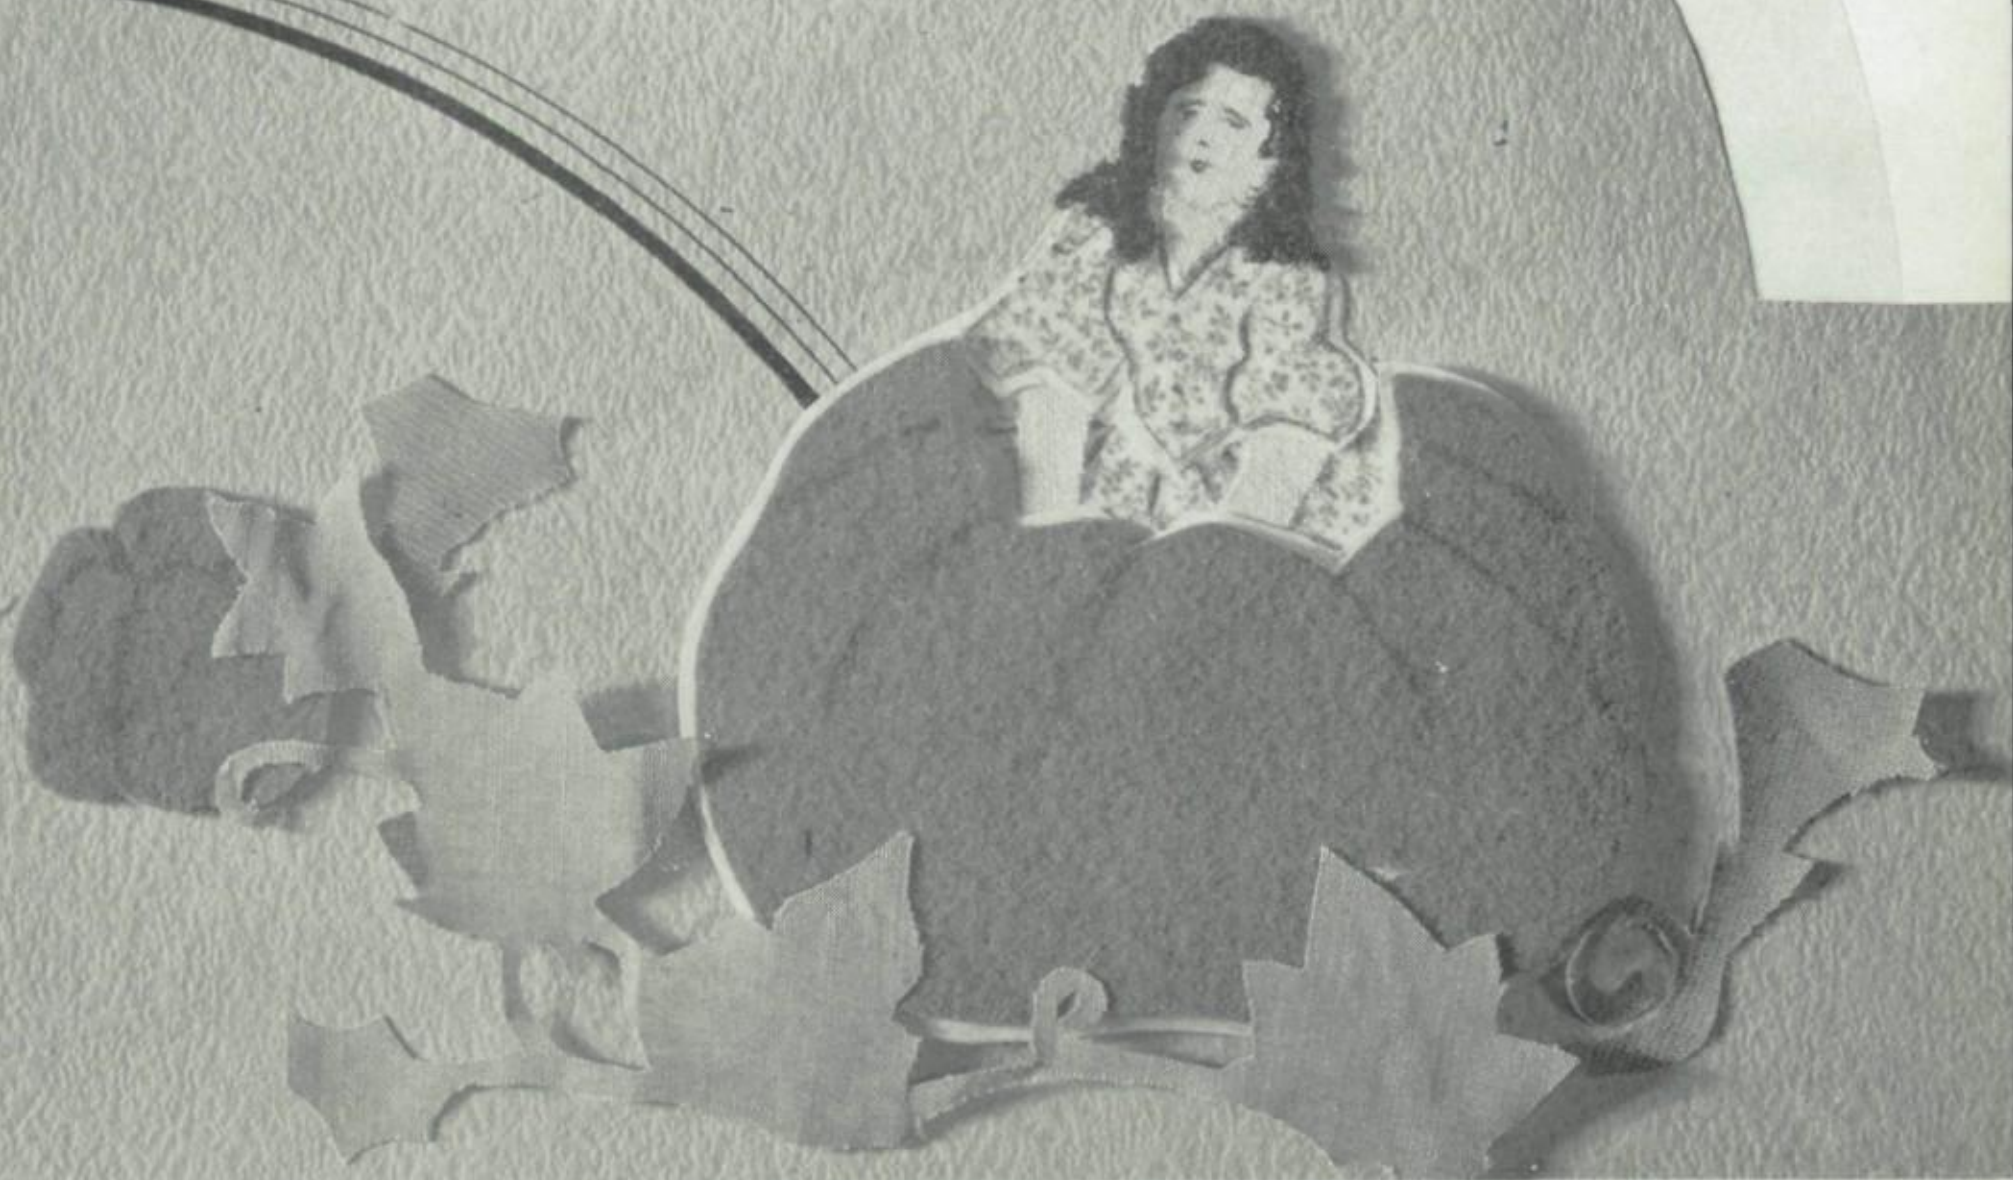

Sophomore Advisers: Miss Verna Marshall, Mr. A. J. Armstrong, Miss Carol Walker

Freshman Advisers: Miss Helen Corry, Mr. H. O. Griffith, Mr. L. A. Wienbergen

Social Problems

Chemistry

Academic Classes

OF ALL the high school courses, social problems is, perhaps, the most interesting. Mr. A. J. Armstrong, who teaches this class, leads the informal discussion which allows each student to express his own ideas. Mr. Armstrong has also made it possible for his young sociologists to visit various state institutions in the Fox river valley, giving them some idea of how these institutions are managed.

KOH, HCL, Na₂SO₄, and many other formulae, fascinate the students who take chemistry. Practical experiments help students understand some of the rudiments of elementary chemistry, and qualitative analysis.

Mr. M. J. Gegan's able teaching strengthens student interest in this subject, which is the second of two required science units. Each year a chemistry medal is awarded the student having the highest percentage, to help stimulate more interest, better cooperation, and higher grades.

Assembly

Library

Students at Work

THE ASSEMBLY seems to be enjoyed by the majority of students. Whether due to the amount of work done there, the notes slipped, the low whisper, or the various programs held there, it is hard to determine.

This room serves many purposes. During free periods students prepare lessons there. Interesting plays, programs, and pep meetings have been sponsored in the assembly, furnishing unforgettable memories.

WE THINK it is an undisputed fact that a library is essential to a thorough education. The Menasha high school library is credited with having a very fine collection of reference books, encyclopedias, fiction, non-fiction, and books of plays, secured largely through the efforts and fine judgment of the librarian, Miss Jeanette Fox. Here students come for reference, for quiet study, and for browsing among the new books.

Commercial

Woodworking

Industrial Arts

WHEN THE commercial students have completed their courses under the able and experienced guidance of Miss Verna Marshall, they are equipped with the knowledge which is needed to help them win success in the business world.

Studies are made of the comptometer, and dictaphone. And a complete course in filing is taught, along with its application. All of this is an invaluable aid to the student who plans to enter the commercial field after graduation from high school.

UNDER the competent instruction of Mr. L. E. Lindquist, students taking the manual arts course are taught the maintenance, care, and use of hand and machine tools. Special attention is stressed upon cabinet designing and construction, wood finishing, lumber billing, and selection of lumber. Machine tools include a band saw, two circular saws, two lathes, a planer, a mortiser, a sander, a gluing stand, a jointer, and router.

Eugene Funk

Patricia Fieweger

Norbert Gosz

Senior Class Officers

Eugene Funk—We asked a number of people on the campus if they knew "Gene." All the answers were about the same, something like: "Sure, I know him; who doesn't? He's a good athlete, a true sportsman, and a darned nice all-round fellow." And we might add that Gene was captain of the basketball team, a member of the football squad, Printers' club, annual, and newspaper staffs.

Patricia Fieweger—Patti, most active in extra-curricular activities, will always be remembered in connection with dramatics and declamatory contests. She has served as class officer for three years, and thus proved her popularity with her classmates. She won the English medal in her sophomore year, had the leading part in the senior class play, belonged to the Latin club, annual, and newspaper staffs.

Norbert Gosz—"Nubs," our plunging fullback! He has been an officer for two of his four years in high school—and few of the high school activities have been unaided by this loyal supporter. He has been a member of the Latin club, Printers' club, football squad, and "Nicolet News" staff. "Nubs" has been an all-round sport.

THE N I C O L E T

CARL AKSTULEWICZ—In Carl's senior year, he proved his ability by making the high school debate team. Although he had had no previous experience, he entered the competition like a veteran.

ARDEN ANDERSON—"Swede" came to us from Neenah high school in his sophomore year. He fitted into the activities of Menasha High, showing great spirit and enthusiasm.

HALLIE ANDERSON—Hallie has made quite a record for herself, having belonged to the Glee club, Cue club, G. A. A., and Girl Reserves. She is well-liked by all of her classmates.

GLADYS APITZ—Gladys is one of the most active members of the class. She was a member of the newspaper and annual staffs, debate team, and National Forensic league.

LUCILLE BIRLING—Everyone remembers the dependable service that Lucille has given as door keeper. She was a member of the Latin club, and took interest in other student activities.

WILFRID BOUDREAU—"Will" has proved his abilities in the Latin club, National Forensic league, annual and newspaper staffs, and debate squad. He was editor-in-chief of the newspaper.

NORMAN BURR—In Norman we find a loyal supporter of our football and basketball teams. He was a member of the Glee club, and one of the stage managers for the senior class play.

MONICA BUZANOWSKI—Monica may be known by her infectious smile and pleasing personality. She was a member of the Girl Reserves and has taken a full commercial course.

VIRGINIA CARRIER—"Jinny" readily lends her enthusiasm to all school activities. After graduation, Virginia plans to enter the Children's Hospital in Chicago for nurses' training.

ROSE CONJURSKE—Rose came to our school from Manitowoc in her junior year. She has been an active member of G. A. A. and held a position on the advertising staff of the annual.

Dear Bernard

Dear Bernard,
Don't take me
seriously when I
act kind of tough.
I'm really not that
sort of a guy.
Best wishes

Dear Bernard—
Remember the time my
boy-friend and me picked
you had another kid and took
you to Dr. Peck. Best of luck.
Hallie

THE NITCOLETT

JOHN CLARK—John was appointed to the position of flag-raiser in his senior year and he has played on the football and tennis teams. The girls say that he's a smooth dancer.

OLGA COMMENTZ—The Appleton high school was most unfortunate when Olga moved to Menasha. We all recognize her charming smile and welcome her informal chats.

WILLIAM COMMENTZ—Much rattling heralds the arrival of Bill in his bright yellow model "T." Who can resist such a delightful personality? Years will pass before we forget Bill.

HELEN CONWAY—A geniality and the glow of a comradely spirit are among the chief charms with which "Worry" draws friends. She loyally supports all high school activities.

NORMA DRAJESKE—"Norm" has the rare virtues of quietness and modesty. There is about her a refreshing composure which will always insure her many sincere friends.

ELIZABETH EGAN—Not a very big girl to shoulder responsibility, but her dependability and willingness to serve have found, for her, niches in many hearts.

CLIFFORD FAHRBACH—Because his classmates appreciated him, Cliff was chosen president of the class in his junior year. He was a member of the band and Printer's club.

EMILY FITZGIBBON—"Fitz" has been a member of the Girl Reserves, G. A. A. and Glee club for four years. She has been a conscientious worker on the newspaper and annual staffs.

ALICE GEAR—Everyone's friend—and no wonder, for she is always ready to greet you with a smile. Alice has made quite a record as a member of the band.

CARL GUTSCHOW—Carl may some day startle the world with his artistic talent, and he provides his classes with much material for heated discussions.

Sincerely
Helen C.

Dear Kenneth,
Remember the band
tournament and the
fun we had. Look
for us again in
the future.

THE NICOLET

LAVERGNE HANDLER—Whatever it is—a G. A. A. party, gym class, or meeting, you will always find LaVergne an active participant. She supports all activities.

CHARLOTTE HECKRODT—We immediately think of "Heck" in connection with the band of which she was a member for four years. She was a member of G. A. A. and the annual staff.

DOROTHY HERMAN—"There's a comeback for you!" Always ready with a witty answer, she adds life and enjoyment to any meeting, social or otherwise.

VINCENT HICKEY—The proverbial "Irish wit" is evident in this nonchalant senior. "Vin", though usually quiet and undisturbed, inevitably breaks out with some witty remark.

JAMES HOWLEY—"Jimmie" has served Menasha High well. Among his activities we find skits, one act play, senior class play, business manager for the annual, and circulation manager for the Nicolet News.

JEAN HUMPHREY—A cheery smile and dancing feet have made Jean popular with her fellow students. She has entertained us all frequently with her complicated routine steps.

ROSE HUMSKI—Efficiency is her motto. Rose has proved this by her service as secretary of the Girl Reserves during her senior year. She was a conscientious worker on the newspaper and annual staffs.

ROSEMARY HUTTON—She has been a member of G. A. A., and the band for four years, and proved her leadership in a magazine campaign, and as bank cashier.

LORRAINE JASKOLSKI—Lorraine's sunny disposition will be hard to forget. She was a member of G. A. A. for four years and of the Girl Reserves for two years.

JEAN JENSEN—Jean showed us her acting ability in the senior class play and declamatory contests. She was a member of the band for four years and acted as band librarian.

Dear Bernard
I remember Warren
and think you will
remember me.
Best of wishes
in your future
years and keep
up the Band work.
Your friend
Charlotte

Dear Bernard,

THE NITCOLETT

VIRGINIA JENSEN—Virginia is a popular senior girl with very pleasing and friendly manners. She has been an active member of the band, Cue club, and Girl Reserves.

MARGARET JONES—Senior class play, annual staff, newspaper staff, band, G. A. A., and many others have been lucky in their contributions from Margaret. She is one of our most popular seniors.

MELVILLE JUNION—Melville is a rather shy person, but that hasn't kept him from making himself known to us all. His pleasant smile makes him always welcome.

HOWARD KARROW—Because of Howard's artistic ability, he held a position on the annual staff. He enlivens the atmosphere of the class rooms with his remarks.

ALPHONSE KISZEWSKI—"Al" was a member of the basketball squad in his freshman year and of the football squad during his junior year. His greatest delight is dancing.

DOROTHY KOSLOSKI—Dorothy, a pleasant, good-natured girl whom we all like, was vice president of Girl Reserves in her senior year. We will remember her as a conscientious student.

GERTRUDE LINDAU—"Gert" has been an active member of the Girl Reserves and G. A. A. for four years. Her chief interest lies in flowers—and we know Gertrude will be a success.

HELEN LOESCHER—Activities of all kinds have benefited by Helen's participation. She took part in declamatory contests, one act play, senior class play, Girl Reserves, G. A. A. and has played with the band for four years.

FLORENCE MAAS—Florence has proved herself to be an interested participant in all class activities. She belonged to the G. A. A., Cue club, and Girl Reserves, and took part in the senior class play.

JOSEPH MAGALSKI—"Maggie" is never to be found in a depressing mood. Smiling and joking, Joe always brightens our spirits. He was cheer leader during his senior year.

THE NICOLET

JOHN MCANDREW—"Johnny", an orchestra man, indeed! He was a member of the band for three years, the Latin club, and the Nicolet News staff.

MAX MERTZ—Max was an important factor in the mechanism of the basketball and football squads—but he's too bashful to get up in assembly and tell us about it.

ROSE MIELKE—Rose is a staunch supporter of our high school's activities—and she shows marked ability in her commercial classes. Her cheery smile will be missed next year.

BEATRICE MORGAN—"Bea" with her interesting personality, has been an active member of G. A. A. and Girl Reserves for three years. Her enthusiastic support adds to the fun at the basketball and football games.

EARL NEMITZ—Earl has been an active member of our band for four years, and was an officer for two years. The Cue club and orchestra also commanded his interest.

MARY JANE NOVAKOWSKI—Student librarian for her three years in high school—and that isn't all. Among her activities we find G. A. A., Girl Reserves, and newspaper and annual staffs.

JACK O'BRIEN—As a member of the band for four years, and a cheerleader in his senior year, Jack has proved himself a most conscientious supporter of our school and its activities.

RICHARD O'BRIEN—For four years "Richie" has been outstanding in basketball and football. He was a member of the Printers' club for two years, and was elected secretary in his senior year.

LEONARD OLSON—Leonard proved his dramatic abilities in the senior class play. Where ever "Leonard" goes we may hear him immediately a p'vades.

PEGGIE PARKER—Peg's personality and quick wit won her a leading part in the senior class play. She was also a member of the Nicolet staff, Latin club, and G. A. A.

*Dear Bernard
Hope you have
lots of coming events
with "millie"
"Old" Olson*

Dear Bernie:
 Loads of luck & best wishes
 in the near future
 sincerely
 THE N I C O L E T

MARIAN PARTIKA—Her friendly smile and cheery "hello" will long be remembered by all who were fortunate enough to know Marian. The G. A. A. was lucky in being able to claim her as a member.

ROSELLA PAULOWSKI—Due to her cheerfulness, quickness and ability, "Pella" has always been popular with her classmates. She was elected captain of her basketball team and belonged to G. R. and Cue club, too.

WALTER PAULOWSKI—"Wally" will best be remember as that dashing "No. 4" on our football team. He always enjoyed the high school parties and we certainly enjoyed him.

ARTHUR PETERSON—"Art's" theatrical talent was uncovered in his senior year, about class play time—and found to be just as great as his ability as a printer.

LORRAINE PETERSON—Our friendly classmate will not be neglected in our class records. Lorraine has served the Girl Reserves faithfully for four years.

CLEMENT PLAGOWSKI—Printing seems to be Clem's strong point—and absorbs most of his time and interest. We know that he will be a success in that field, after graduation.

HELEN PLOWRIGHT—School won't be the same next year without Helen. She was a cheer leader, a member of both the newspaper and annual staffs, and took part in all dramatics.

JOHN PLOWRIGHT—John's merry smile informs us beforehand that he is promoting another humorous scheme, and we may be assured of a hearty laugh when it comes to light.

SALVATORE PORTO—Much ado about a little man—and why not? Sam has won a chemistry medal, been appointed co-editor of the annual, and has been the "power behind the throne" in many school activities.

HAROLD PRITCHARD—"Red" came here from West Virginia in his junior year and has proved to be one of the most popular boys in his class. He played end on the football team.

Dear Bernie
 I am hoping
 you have luck
 with the
 girls

Patricia
 Peterson

THE NICOLET

CLAIR RASMUSSEN—"Paul" has won the geometry medal, acted as photographer for the annual and newspaper staffs, and played in the band for four years.

ELEANOR RESCH—Eleanor has had many friends during all of her four years in high school and the way she played basketball at G. A. A. was the envy of all of the members.

WALTER RESCH—Cooperation is Walter's middle name—and he has proved himself to be one of the most dependable boys in his class.

GEORGE ROBINSON—Band, Nicolet News, annual—all reminds us of George. He acted as photographer for the newspaper and annual during his senior year, and everyone welcomed his calls.

ROBERT ROSS—Bob was co-captain of the football team, and played on the basketball team, too. He belonged to the Printers' club, annual staff, and had a part in the senior class play.

ARDELLE RUSSELL—Ardelle has proved her worth during her four years at Menasha High, as a member of the Latin club, newspaper staff, and Cue club, also as cheerleader for two years.

ADA SCHOMMER—Never in the limelight, Ada goes her own quiet way and does her work in a very unostentatious manner. Nevertheless, she does it, and we will not forget her.

ERIN SCHOMMER—Her singing and appearance in several assembly skits have made her popular throughout her high school years. Erin is one of those smiling blue-eyed Irish girls.

AGNES SENSENBRENNER—Her winning smile and "personality plus" may partially account for Aggie's election as a class officer for three consecutive years. She was a member of the band, G. A. A., newspaper and annual staffs.

MARIAN SPALDING—Look what Marshfield sent us! However, we find Marian to be co-editor of the annual, winner of the junior English medal, and a spark-plug in many school organizations.

"Barnard!"
I guess we had
some good time
might of the band
toneney!
"Hobbie"

The best of luck to you, Barnard! and I hope you keep on having one elbow "love affairs" whenever.

"Wary":
 We've had
 great love, haven't
 we? Let's hope it
 will continue
 my only regret is that
 I didn't know you sooner.
 Bea

THE NICOLET

BEATRICE STANIAK—"Bea" has been a member of the band for two years, she also belongs to G. A. A. and the newspaper staff. Commercial work was "Bea's" strong point.

ALEXANDER STRANGE—"Alex" will long be remembered for his "happy-go-lucky" attitude. He was appointed flagraiser in his senior year and he belonged to the Latin club, tennis team, and basketball squad.

DOUGLAS STRONG—The tall "Doug" can be seen daily practicing on his tuba in the band room. He took part in the senior class play and played on the tennis team.

HELEN SWIONTEK—Quiet, but fun-loving Helen has spent her four years in high school to best advantage. In extra-curricular activities, Helen has taken a deep interest in Girl Reserves and G. A. A.

WALDEMAR THOMPSON—"Waldy" is well known, and well liked by all of us. He took part in the senior class play, and was appointed artist on the annual staff.

MARCELLA TRADER—Marcella has taken her work seriously during her sojourn in high school, but that has not prevented her from participating in G. A. A. and Girl Reserves activities.

LUCILLE ULANOWSKI—The violin is not a problem to her as she has taken an interest in music for many years. "Lu" has been a member of the Nicolet News staff and of the Latin club.

MARY ULANOWSKI—To be an efficient secretary is Mary's aim. She supported the high school activities enthusiastically and her great interest outside of her studies is Girl Reserves.

ROY VERHOVEN—"O. K. Toots", or what ever the current expression, might be heard from "Hev." He was a member of the tennis team and football squad, and most outstanding in Glee club work.

JOHN WASKIEWICZ—John finds time to lend his support to the enthusiastic yelling at all athletic contests. He is an ardent follower of all high school activities.

Dear Bea:
 I think you will get
 along lots better if you
 keep away from vacuum
 messes. Sincerely,
 Roy

THE NICOLET

GORDON WEBER—Quite the ladies' man, Gordon gives our school added prestige when the football team travels. He professes interest in mechanical arts and woodworking, but we think swimming is more in his line.

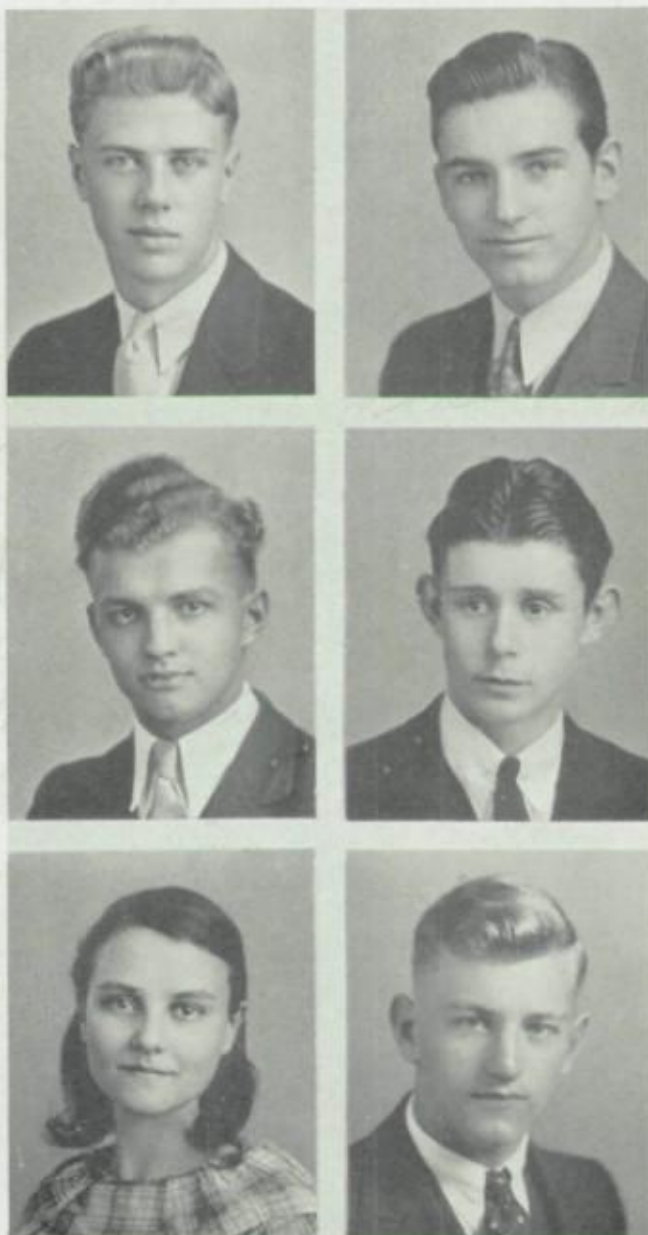

CHARLES WESTBERG—"Noots", along with his athletic ability, has shown other talents. He was a member of the band, annual staff, football, basketball, and hockey squads, and the Nicolet News.

JOHN WROBLESKI—John, otherwise known as "Shiner", has endeared himself to us all with his ready smile and helping hand. "Shiner" is especially interested in printing.

JAMES WHITEHILL—Even after his four years of high school, Jimmy still has arguments left—no matter what the question, he always brings to light a new plan for its solution.

MARJORIE YOUNG—Every class has its various shining lights. Marjorie has made herself known as a real scholar—never wasting a minute, showing the rest of us the benefits of concentration.

NORBERT ZENEFSKI—"Nubs" reminds us of printing and printing reminds us of "Nubs." It seems that he has shown much talent along that particular line—and chances are that he will continue it after graduation.

Herbert Koslowski

Clement Webster

Robert Des Jarlais

Junior Class Leaders

IN SELECTING class leaders, the juniors chose students who have been outstanding in class work and extra-curricular activities, and who were best fitted to prepare the class for the important duties awaiting them as seniors.

Clement Webster—In “Clemmy” the juniors saw an ideal president. Football, basketball, Nicolet News, Nicolet staff, all have played an important part in his school life. As a fullback, as guard on the basketball team, and as athletic writer for the annual, “Clemmy” has displayed remarkable ability. Because of his popularity, his classmates chose him as their freshman president and sophomore vice president.

Herbert Koslowski—As vice president of the junior class, “Herb” undoubtedly fulfilled the trust placed in him when elected to that important position. “Herb” is a true athlete in every sense of the word, for he is interested in all athletic sports, particularly baseball.

Robert Des Jarlais—“Bob” has represented his class in practically every activity. The band and orchestra brought out his musical talent, while both the Nicolet News and Nicolet staff benefited by his loyal support. In recognition of his literary ability, “Bob” was appointed co-editor of the Nicolet News this past year.

Erie Fahrenkrug

Guy Wideman

Jack Gerlach

Sophomore Class Leaders

WHEN the sophomore class met to elect officers, they evidently did so with the idea of choosing those people who would best be able to represent them and manage their affairs.

Jack Gerlach, although this was his first year among us, was allotted the honorary position of president of the sophomore class. The manner with which he handled the grave crises which arose during his term showed generalship. His pleasing personality and willingness to help, have contributed largely to the success of the class.

Guy Wideman was elected vice president of the sophomore class by an overwhelming majority of votes. He is so very well known that it is necessary to merely mention his name and immediately a vision of his varied activities flash before us. Because of his good sportsmanship and athletic ability, Guy has been a member of both the football and basketball varsity squads.

Erie Fahrenkrug is secretary-treasurer of the sophomore class. And this impressive title was well-deserved by Erie, who is most popular with his classmates. Because of the great attraction athletics had for him, and because he had ability along that line, Erie very fittingly represented the class on the basketball squad this year.

Betty Harold

Clifford Heiss

Mervin Schneider

Freshman Class Leaders

OUR FIRST class meeting met for the purpose of electing class officers and to acquaint newcomers with the school. During this meeting, Betty Harold, one of these newcomers, was elected to act as our class president. We feel that we have made no mistake in our choice, for she was chosen as a freshman representative to the annual, and is a member of the G. A. A., Latin club, and the Nicolet News.

Another newcomer, Clifford Heiss, better known as "Zog", was elected secretary-treasurer of our class. All freshman funds go into the capable hands of Clifford, and it is his voice we hear when the minutes of previous class meetings are read. Clifford was also elected president of the freshman Science club, which is a new organization at the high school this year and was a mainstay on the freshman football and basketball teams.

Mervin Schneider's popularity is shown by his election as a class officer for the second time. In the seventh grade, "Red" was awarded the office of secretary-treasurer, and this year he was elected vice president by the freshman class. Mervin, as a member of the freshman football and basketball teams, shows great promise.

Catherine
Lanzer*

Eighth Grade Leaders

MANY of you readers ask who the charming fair-haired girl is. To us she is known as Catherine Lanzer, although most every one seems to like the name "Cathie" as being more appropriate for her. She is none other than the president of the 8 Y section.

Yvonne Streck, although not much in size, but certainly big when it comes to being an active member of section 8 Z, was chosen to act as president.

Donald Baenke, the witty person about school, was chosen to act as vice president of 8 Z section. Earl Block was chosen secretary of section 8 Y. He can be referred to as the life of any class, whether he is tooting a horn or studying arithmetic. Being a studious and popular student has rewarded Earl Bublitz the position of secretary in section 8 Z.

The familiar personality sitting between Catherine Lanzer and Yvonne Streck, in the picture above, is none other than the girl with that southern accent. We know her as Gloria Risley, from Alabama. Gloria can drawl off assignments as well as "darkies" love watermelons. She was chosen as vice president of section 8 Y.

Junior Class History

THE junior class is justly proud of its accomplishments during the three years its members have trod our school's halls; we believe we can say, however, without boasting, that we have earned a place in the annals of Menasha high school.

Many juniors have represented championship Menasha high school bands in state and national competition. Juniors possess literary talents of high degree: Patricia Sonnenberg and Robert Des Jarlais were literary editors on the Nicolet staff; Gloria Buchanan and Robert Des Jarlais headed the Nicolet News, a junior project, as co-editors.

A majority of our class has displayed ability in dramatics in numerous plays and assembly skits. Forensics and debate? Yes, Gloria Buchanan and Robert Des Jarlais helped to represent the school in debate and oratory, respectively.

Co-captain John Pawlowski, co-captains-elect Clement Webster and Bernard Pawlowski, James Leopold and Herbert Koslowski attained positions on the first eleven in football; Clement Webster and James Leopold earned positions on the first squad in basketball.

Junior Class History

AS OUR first junior class meeting convened for the purpose of electing officers, we chose Clement Webster, who is equally prominent in football as he is in basketball, to be our president; Herbert Koslowski, also prominent in football, was chosen as our vice president and Robert Des Jarlais, known in forensic, newspaper and annual circles to act as our secretary-treasurer.

Besides showing prowess in football and basketball, our class has shown its ability as leaders on the newspaper and annual staffs, Glee club, band, debate, forensics, G. A. A. and Girl Reserves. The class also displayed leadership in social activities by sponsoring a school dance at the Butte des Morts gymnasium.

Mr. W. J. Chapitis, Miss Daisy Acker, and Miss Jeanette Fox have acted as faculty advisers for our junior class.

We look to keep up our high standard to add to our achievements during our senior year. May our commencement mark the history of one of the most versatile classes to leave Menasha high school. Let it be said that the class of '36 was an outstanding one.

Sophomore Class History

THE sophomores have been prominent ever since the day they entered the doors of Menasha High—starring in athletics, forensics, band, glee club, academic achievement. The Nicolet News staff, too, claims many of them, and the annual staff has its representatives every year. They have always been enthusiastic supporters of high school activities.

While in the seventh grade, this class chose as its officers Robert Cole, president; John Homan, vice president; Emery Theimer, secretary-treasurer. In the eighth grade Anne Jane Grode led the class as president and Ruth Smart and Andrew Reinhart were vice president and secretary-treasurer, respectively.

When they entered Menasha high school proper, they did so under the capable leadership and guidance of Andrew Reinhart, president, and his loyal cohorts Mildred Kloeppel, vice president, and Emmette Theimer, secretary-treasurer. This same class, now sophomores, showed excellent judgment in choosing a newcomer, Jack Gerlach, to act as their president; Guy Wideman, vice president; and Erie Fahrenkrug, secretary-treasurer.

Sophomore Class History

Dear Beonard: wishing you all the luck & success in the future. Love & Kiss "Blondy"

WHEN freshmen, this class was represented on the football and basketball squads by Guy Wideman, Bert Rimmel, and Joe Arno, and this last year these same boys plus Erie Fahrenkrug and Jack Gerlach again gave their services to the teams.

Dramatics played a large part, in the past of the sophomores, too. Richard Rohloff had the lead in the one act play, "El Cristo," and innumerable skits presented by this class. Jane Strange and Marjorie Schommer, wrote short skits which were presented in the assembly.

Robert Gazecki and Richard Rohloff both took an active part in debate and innumerable sophomores have graced the newspaper staff with their talents. Mildred Kloepfel acted as sophomore representative on the annual staff.

This class has only sailed half way through its high school course and before it's through there will undoubtedly be many more accomplishments to add to its history. It is a class of versatile talent which invariably scores successes in all of its fields of endeavor. The juniors will be glad to turn their responsible positions over to the capable sophomores, next year.

Dear Beonard I & my call you that because I never did know you very much before. Love & Kiss "Blondy"

Freshman Class History

WITH each passing year of high school, there usually is a class that is supposed to feel inferior to the other classes. The common expression "those green freshmen" can be heard nearly everywhere on the lips of upper classmen. Although this phrase is a common by-word around school, we feel that it is unfairly given. While admitting that our brilliance is little to speak of, we can, however, look admiringly at the size of our class, since it composes approximately one fourth of the high school attendance. Thus our efforts should be worth-while and appreciated.

The success of our class is partly due to the efficiency of our officers. Those chosen were Betty Harold, president; Mervin Schneider, vice president, and Clifford Heiss, secretary-treasurer.

We also wish to express our appreciation to our faculty advisers, namely Miss Helen Corry, Mr. L. A. Wienbergen, and Mr. H. O. Griffith. Their timely advice has much to do with the success of our first year in high school.

Freshman Class History

SO FAR the freshman class has found an active interest in participating in most of the school's activities. A large number of them belong to the G. A. A. and Girl Reserves. Ten freshmen have found interest in working on the Nicolet News staff. The Latin club carries a large number of freshmen, also. The football and basketball teams are sure to have material because of the large number that have reported for these activities. The success of the band may be partially credited to the eleven freshmen who are members in it.

We have enjoyed making the acquaintance of the high school faculty, the school proper, the extra-curricular activities, and last, but not least, the many members of our own freshman class. This seems to be the thrill all freshmen enjoy.

If the number of students in a class has any influence on its merit, the class of 1938, numbering one hundred fifteen, will do great things during its sojourn in Menasha high school.

Eighth Grade History

 THE enrollment of the eighth grade for the year of 1934-35 is seventy-five pupils. Our class is divided into two sections: section Z, under the supervision of Miss Isabel Douglas, and section Y, under Miss Muriel Schrage.

Each section elects class officers. The officers in Eight Z are: president, Yvonne Streck; vice president, Donald Baenke; secretary, Earl Bublitz. In Eight Y: president, Catherine Lanzer; vice president, Gloria Risley; secretary, Earl Block; sergeant-at-arms, Twyla Bae Moon.

A few of the girls have membership in the Camp Fire Girls and Girl Reserves. Many of the boys have shown keen interest in sports, such as, football, basketball, and baseball.

Our class has supported all major school activities including parades, bonfires, school dances and athletic contests. We hope to continue this throughout our high school term.

The eighth grade class of 1934-35 has selected as class colors, blue and silver, and as a class motto "Be a lifter, not a leaner." We hope to be able to live truthfully to this motto.

Dear Bernard
 wishing you the best

Eighth Grade History

ONE OF the most interesting things we have studied about in social science is mass production. In fact, we were so enthusiastic about it that we decided to visit one of the mills in town to see theories of mass production in operation. We chose a paper mill, and with the help of one of our students, we secured permission to go through Gilbert's paper mill.

We were fortunate in having accessible so fine a mill as Gilbert's which is the show paper mill of the world. We set out one afternoon in high spirits which were quite suddenly calmed down by the interesting sights. Everything from the boilers and generators to the calenders and cutting machines seemed so huge and monstrous to us. These calenders are used for finishing and drying paper.

We saw the laboratory and humidity room where there are miniature models of the various paper machines and devices for testing the quality of strength of paper. Our guide made us a small piece of deck-edge paper on the miniature apparatus. The process revealed why the Fox river valley has so many paper mills.

It's been

Senior High Honor Students

SETTING a good example for their underclassmen has long been an aim of the senior high school students in Menasha. This year sixty-eight students were able to put themselves up before the junior high and say "Follow us."

One of the highest academic honors a student can attain is a position on the honor roll, and those who do acquire a place can proudly and rightfully represent their school's standards. We find this year that those on the honor roll have assumed a large share of the leadership in debate, Glee club, oratory, football, basketball, and on the newspaper staff, and annual staff. This clearly indicates that extra-curricular activities have stimulated the interest in scholastic attainment.

It should be understood that the honor roll is indeed a difficult, and for that reason, a coveted place to attain, but in spite of the fact that the honor is not easy to obtain, the number of honor students increases each year and more and more well-prepared workers are sent into the world with each graduating class.

Since the distinction of having a place on the honor roll requires industry, ambition, and persistence in effort, the above students are to be congratulated on having these characteristics.

Dear Bernard,
Next year let's hope we become better acquainted, eh?
I wish you the best of luck, even if you deserve it - (this

Junior High Honor Students

THE members of the Junior High honor roll, students who are an essential part of high school, are those we are proud to present. In a few years, we hope to see these and many more students under the headline, "Senior High Honor Students."

These members of the eighth and ninth grades have adapted themselves to their course of study and have attained their reward. The same scholastic average is required by the juniors as is by the senior honor students. One is considered an honorary student when he has achieved a standing of two and two-tenths points, on the basis of an A equalling three points; a B, two points; a C, one point; a D, no points, and an F, a minus one point. The number of points divided by the number of subjects determines whether or not he is an honor student.

The freshman class has distinguished itself by having the largest representation on the honor roll several times throughout the year. This is a record indicating untiring effort on our part.

It is an undisputed fact that an honor roll rating is not a simple goal to reach. For this reason, we can justly boast of our record and be assured that an industrious and fully capable group will endeavor to surpass that standard set by the Senior High.

Nicolet Staff

ALL through the year the members of the 1935 Nicolet staff have held regular meetings at four o'clock on Wednesday afternoons.

They have worked under the capable leadership of co-editors Marian Spalding and Salvatore Porto, having as a goal the successful publication of a year book. They have tried to produce an annual of historical, literary, and artistic merit; to give the book the qualities of accuracy, attractiveness, correct form, and good taste.

Each year juniors apply for staff positions: co-editors, business managers, advertisers, literary editors, humor editors, photographers, and artists. They are chosen for their resourcefulness, dependability, and leadership. This year the staff will take time to help students prepare for the editing of next year's annual.

Whatever success is attained this year will be due to the helpful suggestions of Miss Isabel Biddle, adviser, and to the cooperation and discriminating judgment of Mr. H. O. Griffith, under whose direction the Nicolet was printed.

This year the Nicolet staff sponsored a pep meeting in the main assembly before the subscription drive, a number of sandwich sales, taffy sale, a Valentine dance, and the usual annual staff picnic.

Nicolet News

A SCHOOL newspaper owes its success chiefly to the attitude with which members of the staff cooperate with one another, meet their assignments, follow "tips" and obtain "scoops." The Nicolet News, composed of forty-nine students meeting these requirements, has issued a successful newspaper published bi-weekly, and printed in the high school printing department.

This year Gloria Buchanan and Robert Des Jarlais, both juniors, were selected as co-editors of the Nicolet News. Mr. W. J. Chapitis acted as faculty adviser in editing the paper, and Mr. H. O. Griffith supervised the printing of it.

"Campus Cupid," one of the many columns of particular interest and favor to the students, proved a tremendous success in solving many a student's puppy-love problem; the editorial column also found many readers as the year progressed.

We believe that the Nicolet News has played a large part in bringing students into the spotlight and in promoting student friendship and co-operation.

The Nicolet News is a member of the National Scholastic Press association and receives, each year, complimentary ratings.

Band Assistants

NOT A little credit must be given to the band assistants for their cooperative work, adding to the success of the band. Many extra burdens have been voluntarily taken up by the officers, thus enabling Mr. L. E. Kraft, our director, to devote his time solely to the progress of the Menasha high school band.

The officers elected as business managers are Howard Karrow, Earl Nemitz (absent from picture), and Emmette and Emery Theimer, whose duty it is to take charge of the band equipment, and similar business transactions.

There are several assistant band directors who have done remarkable work during Mr. Kraft's absence. These are Virginia Jensen, Helen Jensen, Donald Steber, Kathryn Strader, Marjorie Schommer, Margaret Gear, Harold Lornson, and Gerald Jensen.

The librarians, who take upon themselves the caring for the music, are Jean Jensen, Charlotte Heckrodt, Alice Gear, and Emily Lornson.

The high school students, together with band members, take this opportunity to express their appreciation for the work accomplished by the capable band officers this year.

Mrs. C. Lomans, Mrs. F. Corry, Mrs. A. Wasinger, Mrs. H. Schommer.

Band Mothers Club

 THE BAND mothers deserve much credit for their many efforts to secure money to enable our band to purchase new instruments, music, and to show its ability at the district, state, and national tournaments. The band mothers do not only work for the interests of the band members but for the other students as well.

The refreshments which they sell at our school dances are relished by all of us. Even more, the sandwiches and hot drinks, which they have on sale at football games, stimulate many shivering people. They also furnished and prepared the lunch for the band's party, which was held a week before Christmas in the new band auditorium.

Meetings have been held by the band mothers every second Wednesday of each month, in the band auditorium. Different members of the club act as chairman of these meetings.

This last year, the club had as its officers: president, Mrs. F. M. Corry; vice president, Mrs. H. Schommer; secretary, Mrs. C. Lomans; treasurer, Mrs. A. Wasinger. These officers performed their duties with the industry and ability which make the club so successful.

Glee Club

THE Menasha high school glee club has functioned under the able direction of Miss Florence Roate for two years and throughout that entire period it has maintained a splendid reputation that more than justifies the respect afford it by both school and city.

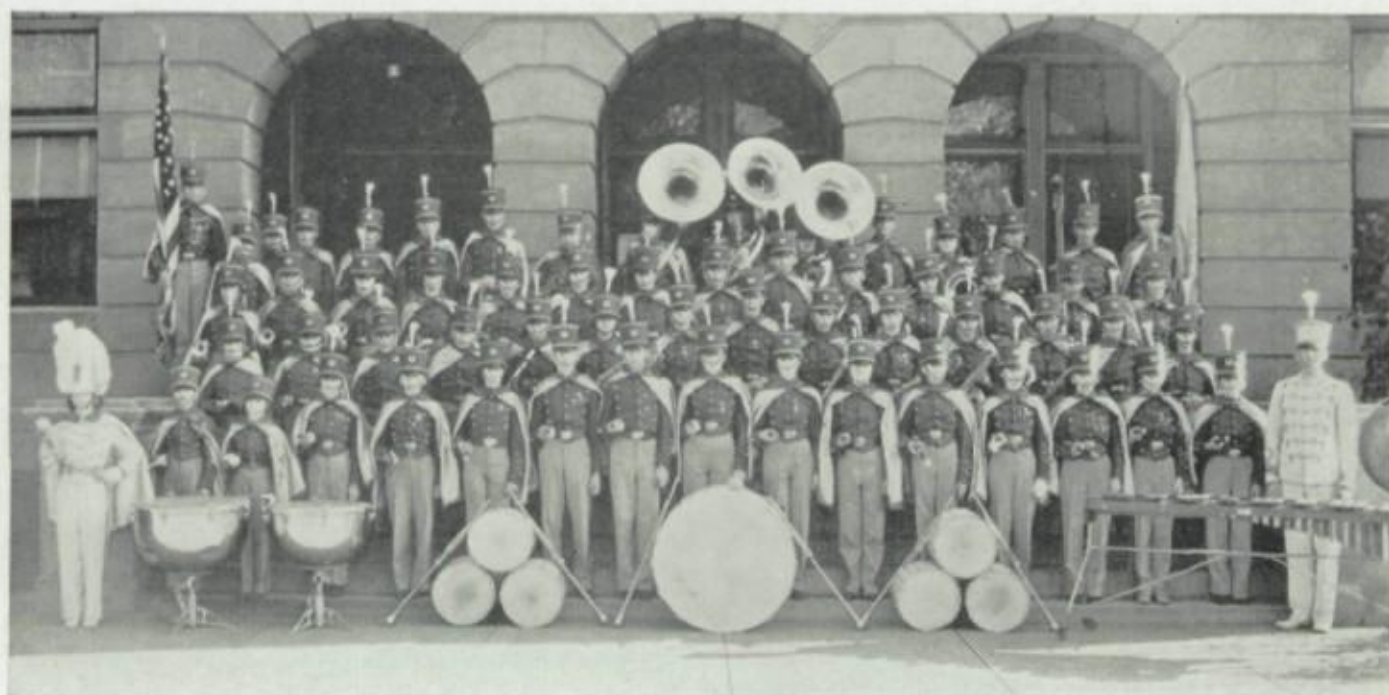

The club was separated into three classes this year: a girls' chorus, a boys' chorus, and a mixed chorus. The boys' chorus was developed for the first time this year, and proved itself well worth the effort expended in its behalf.

Each group has given interesting, talented, and wholly entertaining performances throughout the year. This spring the mixed chorus presented a most successful operetta.

A great deal of progress and improvement has been evidenced by the organization during the past year, and sincere and hearty congratulations are extended to Miss Roate for her conscientious efforts and to all of the members of the glee club for their enthusiastic cooperation.

Dear Ben,
Here's wishing you
lots of luck and success
in the future. Hope to see
you in the band next year.

acquainted. I hope you are in the band next year because
if you are missing I'm sure there wouldn't be a very
good band.

M. H. S. Band

THE Menasha high school band, with its complete instrumentation, is both symphonic and military. A musical organization adapted to both outdoor and indoor playing, when marching and maneuvering, is termed a military band; but when the concert performance is its aim, it is called a symphonic band, providing the instrumentation is correct.

The instrumentation of the military band is largely brass, percussion, and few wood winds; while that of the symphonic is largely wood winds, with a moderate number of brass, strings, and percussion.

To help the director, Mr. L. E. Kraft, there are librarians, assistant band directors, and business managers. For meritorious work, these officers are awarded chevrons.

The records and honors won by the band speak for themselves. It continues to appear in concerts, at tournaments, at games, and functions of community life in our city. It is always willing to oblige and turn out to help entertain the public.

Sincerely
Helen Hendy

Legio Decima

AN ORGANIZATION, well known to every student studying Latin in Menasha high school is the Latin club, also known to the more sophisticated Latin members as the Legio Decima. The club aims to bring into study a deeper consciousness and appreciation of the significance of Latin and of the Roman civilization in reference to our daily life.

Through our years of adventure in Latin classes, we, as students, have wandered through wars, mythlands, hardships, and successful events. While freshmen, we worked hard trying to grasp the fundamentals of Latin by translating stories from Roman mythology.

As sophomores, we traversed the fields of Gaul, fighting in the weighty Gallic wars. During our junior year we listened to the emphatic orations of Cicero, and finally, as seniors we followed the wanderings of the Tropan Aeneas in his adventures. In all, we have done extensive traveling in Italy.

Now, through our club, we are passing on these experiences to the underclassmen. We know that they will aim to find deeper benefits in these adventures and travels.

Legio Decima

THIS year the members of the Latin club elected the following as officers: president, James Howley; vice president, Ruth Smart; secretary-treasurer, Salvatore Porto. The office of president is open only to senior members of the club, while the other offices are open to all members.

The club meets each quarter, whenever occasion arises. In classes, matters may also be presented for consideration. An annual initiation for the freshmen members is held during the first semester. The first meeting each year is for the purpose of bringing all the members together. The club members presented their version of "Hamlet" before the student body during an assembly program. This organization finds enough time for, at least, one play each year to be presented before the student body.

In connection with the Latin club each year, a gold medal is awarded to the person who, during four years of Latin work, has shown the best record.

The popularity of the club is due to the fine spirit and cooperation existing between members and their adviser, Mr. W. J. Chapitis.

Girl Reserves

AT THE beginning of this year the Girl Reserves elected for their officers, Lorraine Peterson, president; Dorothy Kosloski, vice president; Rose Humski, secretary; and Marcella Bayer, treasurer. What ever success the club achieved this year is due in many respects to their cooperation and enthusiastic leadership.

They resumed the name they had adoped last year, the Ahsanem Girl Reserves. This name is typical of the ingenuity of the club, because it is both unusual and local. If spelled backwards, the name Ahsanem reads Menasha.

The Girl Reserves are associated with the Young Women's Christian association in Neenah. This year the Y. W. C. A. moved its headquarters to a point more nearly equidistant for both Neenah and Menasha girls. The new club rooms contain a large room for general meetings held every Wednesday evening at 7:15.

The symbol of the Girl Reserves is a triangle with a circle around it and the initials G. R. in the center. The circle means that Girl Reserves exist all over the world. The three corners of the triangle stand for a clean mind, a healthy body, and a God-like spirit.

Girl Reserves

 PARTIES are held at intervals during the year. This year the junior and senior Girl Reserves cooperated with the Neenah high school Girl Reserves in giving a dance in the new building, in January. This is the first time such an affair has ever been attempted in the history of the organization and it was a highly successful party. Such entertainment has stimulated interest in the organization.

Candy sales have been held and various and sundry other activities have been engaged in. The curtains in the Girl Reserves room in the new club rooms at the Y. W. C. A. at Neenah have been paid for by the freshman and sophomores units, with the proceeds from a candy sale held at Hoffman's grocery on November ninth.

True to their motto, "gracious in manner, impartial in judgment, ready for service, loyal to friends," the girls spread happiness among others and express their own love of mankind by collecting toys and things for holiday baskets which are distributed each year. In addition, the association always supplies one needy family with a Christmas dinner and toys or games for the younger members of the family. They are a merry group, but nevertheless they are able to spread happiness at the same time.

Girls Athletic Association

ONE OF the liveliest clubs in Menasha high school is the Girls Athletic association, under the direction of Miss Jeanette Fox. A large group of girls responded to the call for members in September and at the first meeting elected as their officers: Rita Verhoven, president; Charlotte Heckrodt, vice president; Gloria Buchanan, secretary-treasurer.

During the fall, members participated in such out-of-door sports as roller skating, hiking, and picnicing. On favorable evenings in winter the girls ice skated.

Each Monday, during the winter months, at 7:00 the girls gathered at the Butte des Morts gymnasium to play games or enjoy a program. All of the programs were put on under the direction of the students.

Teams were formed, according to classes, and inter-class tournaments were held in basketball, indoor baseball, and volley ball.

All girls from the ninth through the twelfth grades may be members, and have the right to participate in all activities including tournaments. Each Monday, the winners of the two previous weeks are contestants for new honors in the various tournaments.

Girls Athletic Association

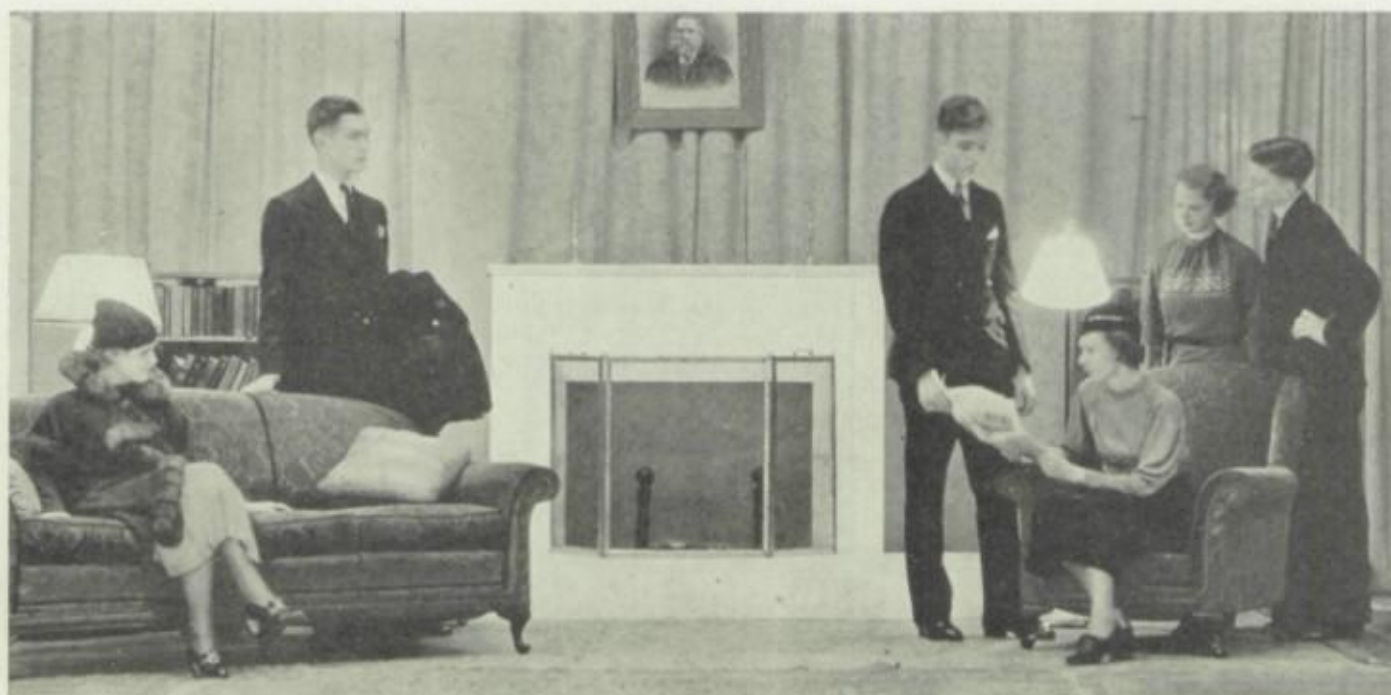

THERE is also a social side to this club. Throughout the year, a number of parties are given which are immensely enjoyed by all who attend. Club members have a chance to display their dramatic or oratorical ability in programs. One of the outstanding events of the year was a Thanksgiving program dedicated to Miss Fox, adviser.

The Christmas program, presented in the assembly, included two short skits written and directed by Marjorie Schommer and Jane Strange. The skits dealt with school life around Christmas and were made more interesting by the use of students' names instead of fictitious ones. The band also played several Christmas selections which were outstanding in their concert. Members who were not in the skits sang several songs.

There was also a Valentine's Day party at which the girls exchanged valentines and presented a program.

Each girl receives so many points for each activity in which she takes part. At the end of the year they are added up and those having the required number of points receive, as a reward, letters, numerals, or pins, bearing the Menasha High insignia.

Fieweger, Thompson, Howley, Loescher, Parker, Peterson.

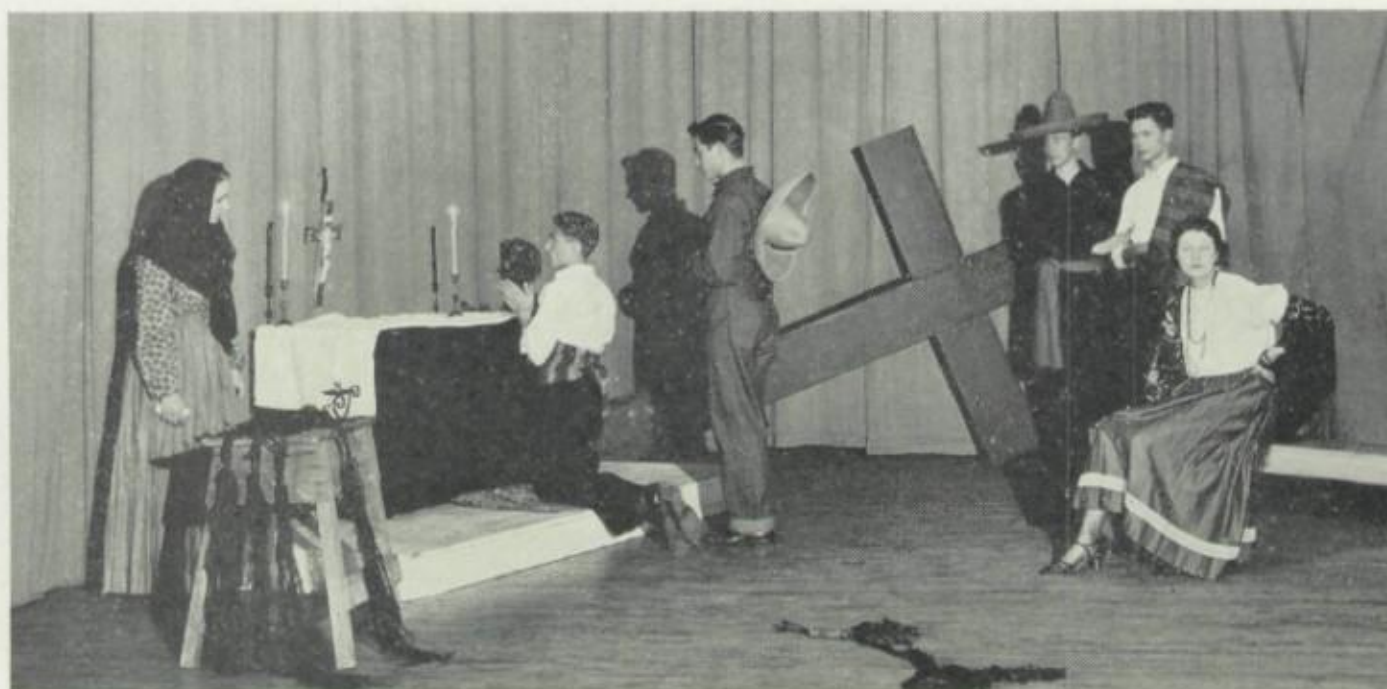

Senior Class Play

"SHIRT SLEEVES," a comedy in three acts, was presented by the class of '35, under the direction of Miss Muriel Schrage, at the Butte des Morts gymnasium, December 11. The play centers around the difficulties of the Rand family, suffering from financial distress, caused by the Continental bank failing and the market crash.

The play revealed the heartaches which the father, Franklin Rand, played by James Howley, had to suffer because of foolish investments. The mother, Julia Rand, was portrayed by Helen Loescher. Peggie Parker and Arthur Peterson, the faithful Rand twins; Patricia Fieweger, as Dianna Rand, acted as the selfish daughter, while Donald Rand, played by Walde-mar Thompson, was the worthless son. A high spot in the play was the humorous acting of Jean Jensen, the Rand maid, and her lover, Elmer, portrayed by Ralph Miller. Helen Plowright, as Margie Scanlon, acted as an enterprising young lady, while Douglas Strong played the part of a real and crafty politician.

Other characters in the cast included: Norman Aldrich, Leonard Ol-son; Claussa Scott, Mary Jane Novakofski; Midge Waring, Margaret Jones; auctioneer, Jack O'Brien; Alpha, Dorothy Herman; Omega, La-Vergne Handler; baggagemen, Gene Funk and Robert Ross; townspeople, Rose Conjurske, Charlotte Heckrodt, Lorraine Jaskolski, Norbert Gosz, Alice Gear, and Glayds Apitz.

Sonnenberg, Rohloff, Gosz, Flynn, Thompson, Jensen.

One Act Play

"EL CRISTO," depicting a dramatic episode in the religious life of Mexico, was chosen as Menasha's presentation for the one act play contest this year. The play deals with the annual celebration and reenactment of the crucifixion by a Mexican religious sect, known as Los Penitentes. The Valdez family has risen to a point of influential importance, having been successful in having all its sons elected to perform the office of El Cristo.

The play, which was selected and directed by Miss Muriel Schrage, is an outstanding one, in that it was the National Little Theater Tournament, as well as The Belasco Cup and the Samuel French prize in 1926. Despite reports that the cast gave a commendable presentation under the circumstances, the play failed to place at the district One Act Play contest, held at West DePere on February 2.

The sophomores, juniors, and senior classes were well represented in the cast of this play; Richard Rohloff, chosen to play the part of Jose Valdez, a young Mexican proved himself very capable and worthy of the part. Waldemar Thompson as Ricardo, James Flynn as Manuel, Jose's uncle, and Norbert Gosz as the father of Jose, all showed remarkable ability. As Jose's mother, Patricia Sonnenberg portrayed the admirable traits of a mother's love. Jean Jensen, as Rosalie, also did her part in helping to make the play a success.

W. Boudreau, Rohloff, C. Akstulewicz, Apitz, Gazecki, Buchanan, Miss Schwartz, Spalding, S. Porto.

Debate

EVER struggling to better their record, members of the debate team were sure to be found in Miss Schwartz's room at the close of school or during the seventh period each day during the debate season, wrestling with the problems included in the proposition: "Resolved: That the federal government adopt a policy of equalizing educational opportunities throughout the nation by means of annual grants to the several states for public elementary and secondary education."

This year saw the introduction of a new coach for the varsity debaters, Miss Lucille Schwartz, who, in college, was a member of the varsity debate team that toured the country. Miss Schwartz, in one year, has made debate an interesting, educational, and outstanding activity in Menasha high school.

This year's negative team was composed of Gladys Apitz, Carl Akstulewicz, Wilfrid Boudreau, and Richard Rohloff, while the affirmative debaters were Gloria Buchanan, Marian Spalding, Salvatore Porto, and Robert Gazecki.

The negative debated at Neenah, and with Clintonville here. The affirmative schedule consisted of a debate at Oconto Falls, and with Kaukauna here. These were conference debates and each team won one and lost one.

 Biology Club Marion Kaminski

"LIFE is real, life is earnest—" so are the members of the newly formed Biology club in their extensive study of the science of life.

The club was organized at the beginning of this school year under the direction of Mr. L. A. Wienbergen. Though the main purpose of the Biology club is the increased knowledge of plant and animal life, there are other motives concerned. The members of this organization realize that their lives must be adjusted to the ever-changing conditions of the social structure within this country.

In order to accomplish this purpose, they resolved to obtain further knowledge concerning health, nature, and cooperation, and to gain an appreciation of the finer things of life. By means of instructive talks and reports on the various stages of plant and animal life, the members have become more familiar with the mysteries of nature, and have a better understanding of biology. All students who take biology at any time during their high school years automatically become members of the Biology club.

Meetings are held every second Friday of the month in Mr. Wienbergen's room. The following officers were elected: president, Ione Hoffman; vice president, Leonard Olson; secretary, Marian Kaminski.

National Honor Society

JOINING the ranks of the National Honor society is one of the highest honors that can be attained in a student's high school career. To be able to wear the gold pin which signifies such an honor is the cherished ambition of each member of the senior class. Only those who possess persistence and exert a determined effort are capable of reaching this goal.

The National Honor society of Secondary Schools, of which Menasha high school is a member, corresponds to the Phi Beta Kappa society, the honor society for colleges. Membership in this society is based upon scholarship, leadership, service, and character. Organizations of this type in a high school encourage each pupil and stir within him an ambition which will help to make a better person of him and aid him in deriving as much benefit as possible from his four years of high school work.

These people have been chosen by a faculty committee to represent the class of 1935, because of the high scholarship, ability for leadership, good character, and unfaltering service evidenced by them during their sojourn in Menasha high school. They were picked from the upper one fourth of their class, only those in that section being eligible.

Printers Club

ONE OF the most active organizations of the school, the Printers' club, has completed its fourth year with an enviable record of accomplishment. Composed of junior and senior printing students, the club was organized for the purpose of making a further study of the printing industry through speakers and visiting trips. The boys meet the first and third Tuesdays of each month to discuss plans for visiting trips, to meet speakers who are acquainted with printing, and to arrange for their future meetings.

Elected at the first meeting of the year, the officers of the Printers' club for 1935 were: Eugene Funk, president; Robert Ross, vice president; Richard O'Brien, secretary-treasurer. These boys were chosen because of their knowledge of printing, and because they were senior members of the organization.

This year, as in other years, a short social program was carried out. The club camped in the woods overnight, went on an outing, sponsored a dance, and, at the end of the year, held their annual banquet, to which the alumni of the club were invited.

A charm, in the form of a mat, symbolic of printing, is awarded each year for efficiency in various branches of this club's work.

Forensics

THIS year there was a record turn out for the forensic contests in Menasha High, and it seems that public speaking has now assumed a more conspicuous position in extra-curricular activities, than in many past years. From the number of freshmen and sophomores who have reported it is obvious that the activity will be well sponsored next year.

The call for orators, by Miss Lucille Schwartz, brought recruits from all classes except the freshmen. These followers of Demosthenes included: Arthur Peterson, Gladys Apitz, Richard Rohloff, Gloria Buchanan, John Bullard, Helen Gear, Robert Des Jarlais, Waldemar Thompson, and James Flynn.

Extempore speaking, too, was popular and Miss Schwartz helped Wilfrid Boudreau, Carl Akstulewicz, John Homan, and Robert Gazecki to prepare for this contest.

Miss Muriel Schrage coached Audrey Stroetz, Lillian O'Brien, Eleanor Mentzel, Margaret Gear, Anna Jane Grode, Alvina Zelinski, Doris Nemitz, Marilyn Fahrbach, La Vergne Handler, Phyllis Testin, Margaret Jones, Jean Jensen, Shirley Winch, Patricia Fieweger, Rose Conjurske, Gloria Buchanan, Cecelia Oas, Jane Strange, and James Whitehill, in declamation, and La Vergne Handler, Marjorie Page, Marie La Valle, Patricia Sonnenberg, Helen Stine, Margaret Jones, and Jean Jensen in extempore reading.

National Forensic League

 MUCH is said about the origin and purpose of the National Forensic league in high school. As to its origin in our high school, this league has held its place since 1932, making rapid progress since that time as a goal for every student to attain. The purpose of this league is to encourage students to participate more enthusiastically in debate, oratory, extemporaneous speaking, reading, and declamatory contests.

To further students in the field of forensics, an additional pin is awarded to the participants who forge ahead of the required number of points needed to be a registered member of the league. Members of this league obtain points by competing with students representing the various high schools throughout the state. These contests are staged and sponsored by many of the colleges.

Despite the fact that most of the students, who participate in these forensic contests were recruits, they fared far beyond the goal that they had been expected to reach. This was especially true in the field of debating where the teams enjoyed one of their most successful and interesting campaigns in years.

The Alumni Association

THE ALUMNI association of Menasha high school held its first meeting forty-seven years ago. This association consists of all the members of the classes that have graduated from Menasha High since 1888. It is the oldest organization in connection with the high school at the present time.

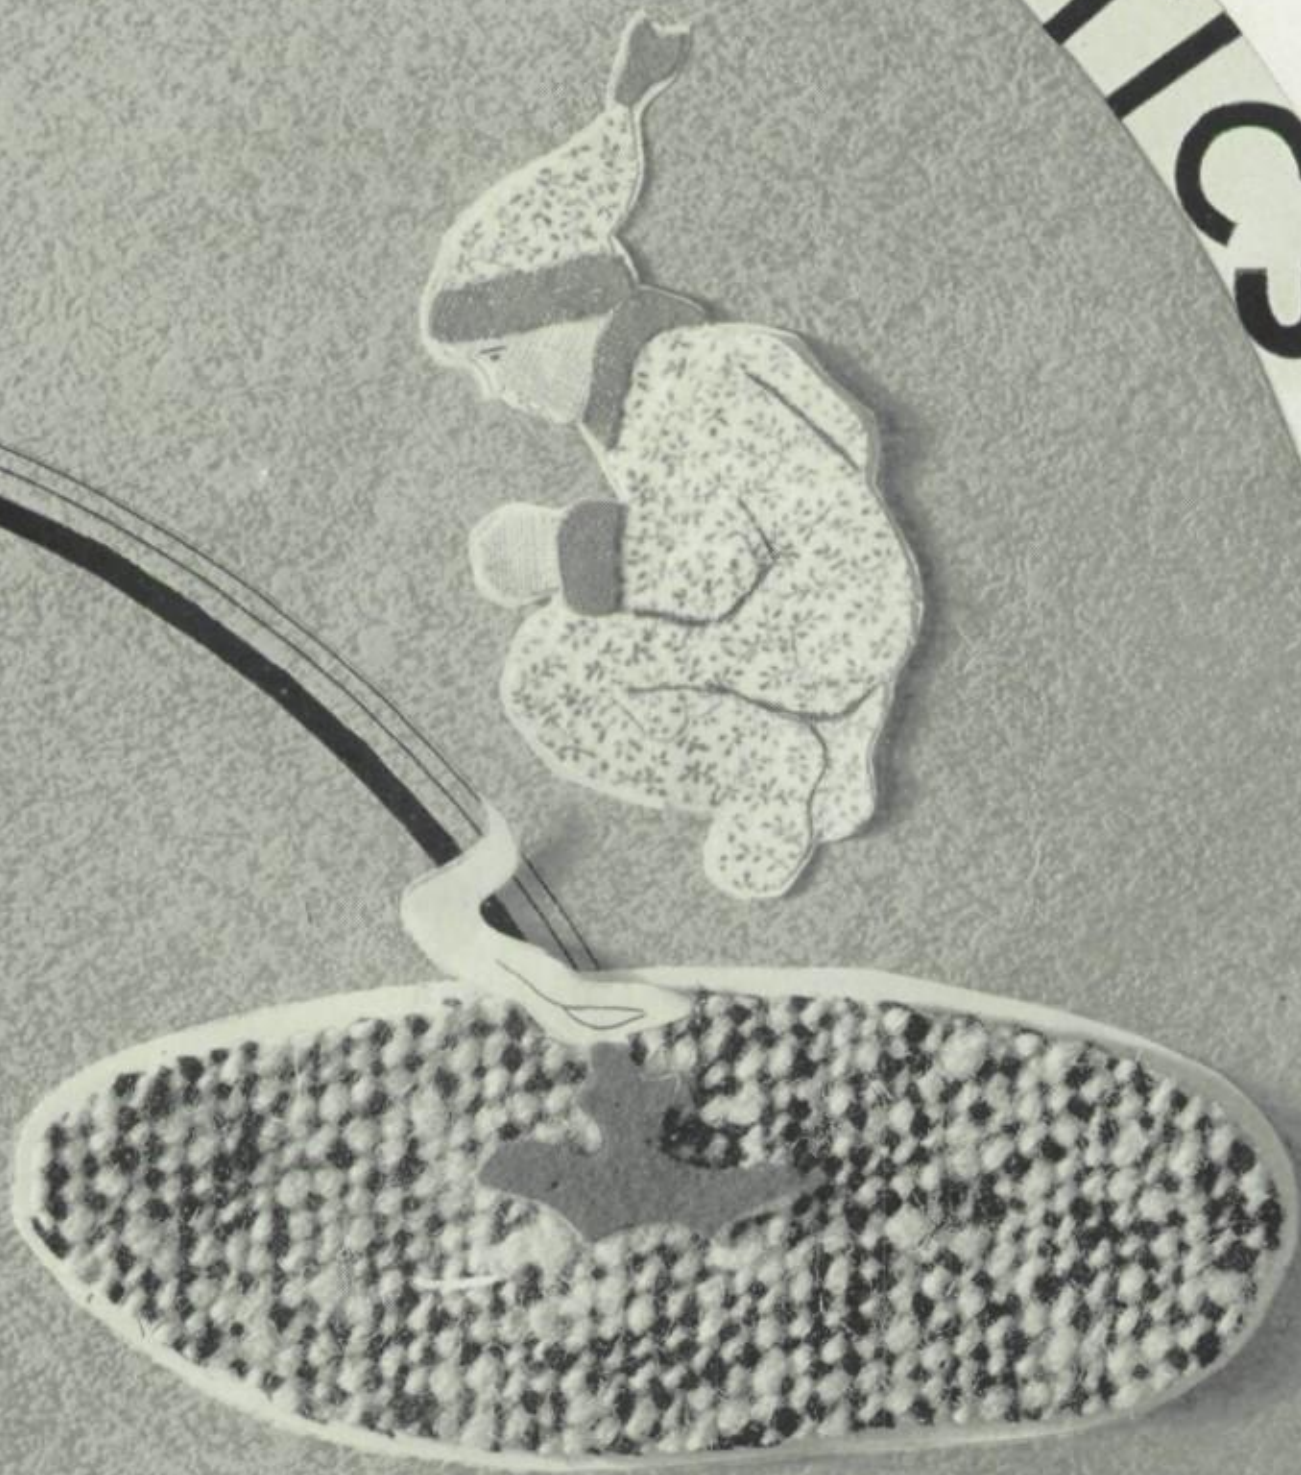

A banquet is given each year by the association immediately following graduation, in honor of the new members. At these banquets, which are usually held at the Menasha Hotel, officers are elected to serve for a two year term. The initiation fee, which is the only fee paid, is one dollar, and it is paid by the student fund.

At the present time, the organization has over 1100 members.

This association has acted as agent to enable the "old grads" to get together and talk about the days when they were in high school. It has made it possible for them to become better acquainted with each other and served to introduce the new members to the old.

The alumni have made many valuable gifts to the high school, including the present flag pole which stands on the corner of the campus, and a Cine Kodak for photographing football games.

Win more honors for Menasha High
Follow the rules, the coach obey
You'll be a champion one fine day.*

Coaching Staff

THE COACHING staff of Menasha High are men of sterling character and high ideals. Under their excellent coaching our athletes have proved themselves hard workers and good sportsmen. It was under their supervision that the teams developed the qualities which make them a benefit to society.

The staff is headed by a man of unique personality, known to the students of Menasha High as Coach N. A. Calder, a builder of body, character, as well as of winning teams. Coach Calder has done more than his part in putting athletics on a high standard. He is head coach of football basketball, and has general supervision of athletics in Menasha.

The "B" teams in both football and basketball are ably trained by assistant Coach A. J. Armstrong. His freshman basketball squad made a very favorable showing in a newly organized conference.

James Buchanan, '34, offered his services as freshman football coach. After playing four years of outstanding football, Jimmy turned out teams which often furnished tough opposition to the varsity in scrimmage.

Two seniors, James Shaw and Ralph Miller, were appointed student athletic managers. They took care of the equipment keeping it in order. Their duties also included acting as water-boys at the football games. For their work, they were awarded manager's letters.

Football Season

ALTHOUGH not finishing on top of the heap in conference standings, the Menasha High team won six out of seven games, having but eight points scored against them, for the best defensive record ever chalked up in the annals of Menasha High.

Beginning the season against Pulaski the squad played just ordinary ball to finish on top with a mere 13-0 score. The next game, against Shawano, the hardest of the season, showed great improvement in the team as they loyally battled to win, and showed Shawano that they were the better team by a score of 14-0.

Using everyone but the managers at West DePere, they defeated the Phantoms in a one-sided game, 33-0. New London lost out early in the game to be finally beaten 28-0. In the following game, they defeated East DePere 26-0. Playing without their full strength, due to previous injuries to some of the valuable members of the team, the squad fell before the powerful Kaukauna High team in hard fought game by the score of 8-0, the only defeat of the season.

In the last game of the season, the team displayed the power shown previously in the season to shut out the old rival, Neenah, in a 14-0 closely contested battle. This historical battle, as always, was the best of the season and drew the largest crowd.

EUGENE FUNK—"Gene", a fast and excellent blocker played an outstanding game at guard. He leaves a position which will be hard to fill.

CHARLES WESTBERG—"Nutz" developed into a hard-driving half back, this year. Nutz claims to have been just upholding the family reputation.

JOHN PAWLOWSKI—This co-captain and tackle was easily an all-conference choice. "Sheeny" added many points to the team's total with place kicks.

GUY WIDEMAN—"Widy" was a star defensive halfback, breaking up passes, and a sure tackler. His blocking cleared the way for many touchdowns.

HERBERT KOSLOWSKI—"Heba" reported for football this year for the first

time. A position on the varsity squad assured us of his worth.

CLEMENT WEBSTER—Because of "Webby's" strategy and skillful movements on the athletic field, he has been appointed co-captain for 1935.

JAMES LEOPOLD—"Sleepy," the field general of the hard-hitting "Blue and White," will be back next year with his clear thinking and fine blocking.

SYLVESTER AKSTULEWICZ—Small, but clever, and possessing a keen football mind, "Syl" played quarterback. Next year he will be a valuable man.

JOSEPH ARNO—"Pinky" is a red-headed sophomore who has earned his second letter and is very sure of winning two more in his position at tackle.

Lettermen

BEN PAWLOWSKI—"Peck," left guard and captain elect, was always known to have played a steady game, and will undoubtedly retain his policy.

ALVIN KOLASINSKI—"Koli", although a freshman, earned a major "M". Being a good blocker and a hard worker has gained him a position at guard.

HAROLD PRITCHARD—"Red," in his position at left end on the first team with his cheerful smile will be sadly missed next year.

WALTER PAWLOWSKI—"Wally", a small, fast man, played left half. He was capable of holding this position and a dangerous open field runner.

SYLVESTER PAWLOWSKI—Although not a regular, "Sheeney" was a dependable

man to relieve the regulars, and help to make a good team.

NORBERT GOSZ—"Nubs" showed his ability as hard and sure plunging full-back on the team. A man of few words, "Nubs" was always ready for action.

ROBERT ROSS—The co-captain and end on the '34 team was one of the best players on the squad. His punting and defense made him outstanding.

RICHARD O'BRIEN—"Richy" was center on the varsity team during his third and last season. He has yet to make a bad pass.

GORDON WEBER—Gordon, a heavy, well-built fellow, played tackle for two years. It is said that his success is measured by his feet.

Cheerleaders

IN RESPONSE to the call for cheerleaders sent out by Mr. Du-Charne, soon after school opened, quite a number reported. These were all tried out in front of the assembly and a committee picked the following to represent the school: Helen Plowright, Helen Gear, Jack O'Brien, and Harold Lornson.

"Are you r-e-a-d-y?" to respond to Helen Plowright? Helen has been a cheerleader during her junior and senior years. On the basketball court, football field, and on the platform in the assembly, she led the student body in many a rousing cheer.

"Let's have a locomotive," says Jack O'Brien in that high-manly voice, which led cheers on the football field and in the pep meetings. Jack has only been cheerleader this year but he was plenty good at rounding-up pep.

"Fight, team, fight," thus Helen Gear started cheers. "Gearda" has one more year to lead the M. H. S. gang in cheers. We know she will do a good job from this year's experiences on the football field, basketball court, and assembly.

"Hit 'em high, hit 'em low," yells Harold Lornson. Harold displayed most of his ability on the football field. He also has another year in which to lead cheers and to help arouse enthusiasm at the games.

Basketball Season

 STARTING the season with only two lettermen from the '34 squad, the Menasha team was naturally at a disadvantage. However, the obstacle of inexperienced material was overcome and a fine team, displaying sportsmanship and cooperation, was gradually developed during the season. They finished with second place in conference standings, having won seven out of ten games.

The first game of the season was lost to the championship Indian team from Shawano, 26-19; but the team rallied immediately and defeated Clintonville the following week, 17-15. The next two games were taken by the increasing powerful Blue and White five from Kaukauna, 23-10, and Neenah, 21-12. The following two weeks proved disastrous, however, and the Menasha team again fell before Shawano, 26-23, and were beaten by New London, 27-16. The rest of the conference games, however, were taken by Menasha from West De Pere, 22-14, Clintonville, 29-20, Kaukauna, 25-15, and the season was brought to a glorious finish with a final victory over Neenah, 28-20.

The annual basketball tournament was not a success for Menasha this year for the first game against Sturgeon Bay was a defeat, as was the second in which the team played against Two Rivers for consolation honors.

Top Row: E. Godhardt, R. Des Jarlais, S. Pawlowski, R. Kolasinski, E. Krablean.
Second Row: J. Schommer, D. Chaffee, R. Pankratz, D. Steber, B. Osiewalski, Third

Reserves

 LACKING the usual number of experienced players, the second team found itself under great difficulty, and was constantly breaking in new players throughout the entire season. They won but two out of the nine games that they played. Nevertheless, the "B" team displayed a good fighting spirit, regardless, of seven losses.

Through the careful direction and supervision of Assistant Coach A. J. Armstrong, the reserves built up a group which will undoubtedly prove to be valuable material for next year's varsity squad.

The reserves began their season by receiving a narrow-margined defeat from Shawano, 27-23. Following, a week later, the squad picked up and stopped Clintonville, coming out ahead, 11-8. A defeat from Kaukauna the week later, 14-12, followed; and the next four games were also lost to New London, 16-6; Neenah, 11-6; Shawano, 9-5; West De Pere, 18-14.

After the bad spell came a bit of encouragement when the reserves found themselves able to take a game from Kaukauna, 13-4. But they again let down in the final game of the season when the Neenah "B" team defeated them in a hard fought and extremely exciting game, with a final score of 25-15.

*Dear Bernard,
I enjoyed being with you this
year, and I hope I see you next
year. Luck & success.

Lettermen

ERIE FAHRENKRUG—A tall well-built sophomore, Erie played center. His excellent showing this year due to training plus his initiative and natural ability, has forecast a bright basketball future for him.

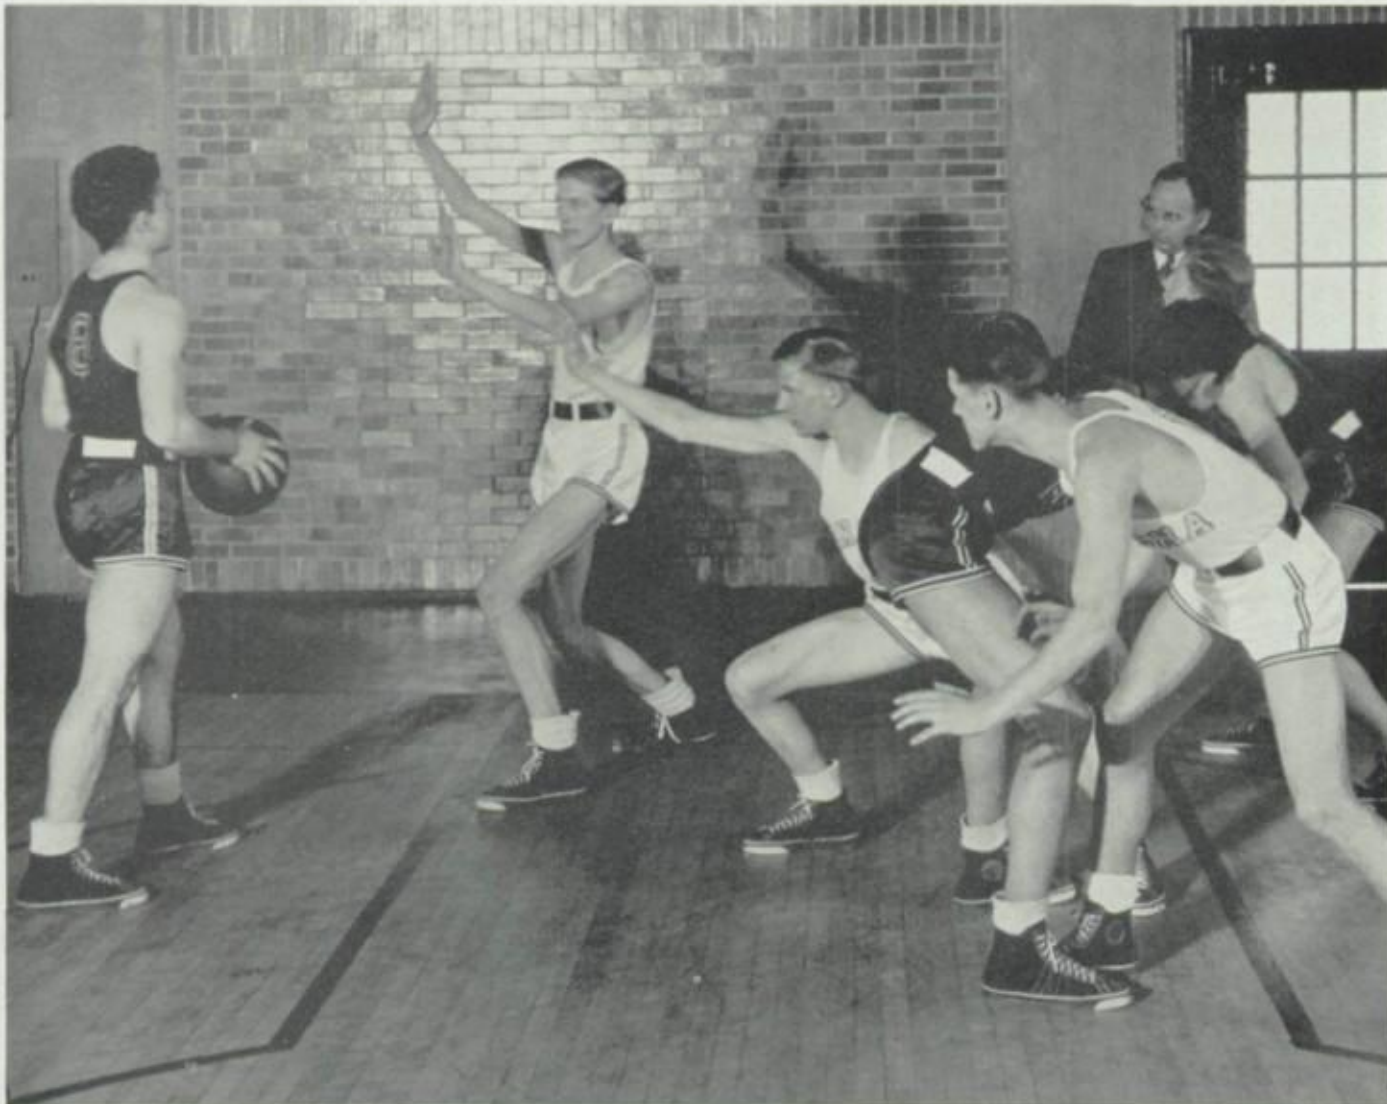

GUY WIDEMAN—"Guy", with his left hand push-shot has kept Menasha in the scoring column this year, and invariably proved a consistent player. He will be back next year.

BERT REMMEL—"Bert" was a favorite among his team mates, and although only a sophomore, this was his second year as a member of the varsity squad. He was surpassed by many in size, but not in ability.

RICHARD O'BRIEN—A fine defensive player, "Richie" played guard. His fighting spirit which spurred the team on, along with his ability will be sadly missed next year.

HERBERT KOSLOSKI—"Hebba" was another recruit from the gridiron who carried his fighting spirit to the basketball court and used it to advantage. He played both forward and guard positions.

CHARLES WESTBERG—"Nutz" displayed the old pep in his transfer from the football field to the basketball floor and did well in his position at forward. This was "Nutz" last year of varsity playing.

Lettermen

EUGENE FUNK—In his last season of four years as a member of the varsity squad, Gene was appointed captain. He was a fast all-round player, a clever dribbler and passer, with a keen eye for the hoop.

JOHN OPPELT—"Slim" a tall, lanky, fellow, acted as understudy to center during his junior year with the squad. His unusual height was especially valuable at the tip off. He will be back next year to play regular.

MAX MERTZ—Max, small and fast, played in a forward position and, being a clever ball handler, was one of the best shots on the squad. He is another of our senior athletes who will graduate this year.

JAMES LEOPOLD—"Jim" gained his position on the varsity this year largely because he was a good shot, but he also played a commendable floor game because of his alertness and clever ball handling.

CLEMENT WEBSTER—"Webby" was one of the two lettermen on the 1935 varsity squad. He played guard and it was around him that Coach Calder built a powerful defense. He'll be one of the few experienced players to return next year.

ROBERT ROSS—"Bob" played a fine brand of ball at the center post and, being extremely tall, did a lot for the team on rebounds. Bob always handled himself well on the floor.

Dear Bernard
I have not known you very
long but I hope I will see
a lot of you this summer.

Prospects

FRESHMAN basketball was introduced this year, as a new experiment, into the high schools of the Fox river valley. The purpose of this experiment is to create a more sincere interest in basketball throughout the valley, to establish friendship between the several high schools, and to develop younger players for varsity basketball service for later years.

This year four teams composed the Freshman Basketball league. These were teams from the Wilson and Roosevelt Junior high schools of Appleton, Neenah high school, and Menasha high school.

Under the careful eye of Coach A. J. Armstrong, the Menasha freshmen enjoyed a highly successful year, earning second place in the conference by winning four games and losing two. The results of their home games were: Menasha, 10, Wilson 9; Menasha, 13, Neenah 7; and Roosevelt, 29, Menasha, 16.

Coach Armstrong, commenting on the team, said that he was satisfied with the attitude and interest shown by the boys, and with their willingness to cooperate. He further stated that the team contained members that will be varsity caliber in coming years. Because the league was a success, he hopes to see it continue with its activities.

Top Row: J. Clark, W. Commentz, Funk, R. O'Brien, Ross, H. Karrow, Gerlach, Wideman, Floyd, J. Kuester. Second Row: Leopold, C. Westberg, W. Boudreau, A. Strange, R. Staniak, B. Hutton, Nelson, Paulson. Third Row: Yaley, Thompson, E. Nemitz, C. Fahrback, R. Verhoven, Mr. O. F. Johanson.

Tennis Team

BECAUSE there are no other spring sports in Menasha high school, the tennis team assumes greater proportions than might otherwise be granted it. Therefore we see many of the high school lads sally forth to try their luck at this game, and, although it is a comparatively new organization along the athletic line, it is the object of much interest and speculation.

The weather did not permit these ambitious recruits to begin their practice on the outdoor courts, so an impromptu court was erected in the gym and practice was started early in the spring, immediately following the basketball season.

No definite schedule was made out for this team, but the usual games were played with Appleton, Oshkosh, and Neenah. Mr. O. F. Johanson, who teaches at the Jefferson school, coached the tennis squad again this year.

The school administration has not thus far, given the team enough consideration to think it necessary for the student fund to buy their equipment for them, but the boys who are sufficiently interested are able to secure their own rackets and shoes. Perhaps in future years, as the team develops, our school will finance their equipment, sponsor and arrange for their trips, and prepare a definite schedule.

Top Row: Coach N. A. Calder, Mr. C. G. Meyer, Mr. N. Smith. Second Row: Mr. H. Pierce, Mr. U. Rummel, Mr. J. Jedwabny.

"M" Club

THE "M" club, is an organization composed of major "M" winners of Menasha high school and its alumni, established to create a closer bond of friendship between the lettermen. Officers governing the club are Urban Rummel, president; Norbert Smith, vice president; John Jedwabny, secretary-treasurer.

A board of control, composed of men representing athletes of former years, is made up of Silas Splenger, Harold Pierce, and Claude Meyer. N. A. Calder's position as coach of athletics, automatically places him on the board. The officers, and the board of control drew up a set of by-laws upon which the club's constitution is based.

Two important meetings were held during the past school year. The first meeting, a banquet, was held at the Elks Hall, several days following the Neenah-Menasha football game. Members of the 1934 football team were awarded letters and welcomed into the club. Co-captains for the next season were elected.

The second meeting was held in the spring of 1935, following the annual spring football game. Members of the basketball team were awarded letters and a captain elected for next season.

Their Worries Begin

Serious Sophomores

Was that the Fire Alarm?

Sept. 5—Janitors' worries begin—classes start.

Sept. 6—Sophomores wake up to the fact that they are no longer freshmen.

Sept. 14—Big school mixer where freshman girls learn the names of some of the senior boys. Oh, the thrills!

Sept. 21—Menasha's grid stars brush past Pulaski.

Sept. 28—Freshman coach, Buchanan, wears a zipper to keep the buttons from flying.

Oct. 1—Social Problems class takes a pleasure jaunt to the Waupan State prison. Ardelle R. wonders how such nice looking men could be so bad.

Oct. 6—"Zog" Heiss gave the freshman girls a thrill as he squirmed his way through a "wolves pack" at the West De Pere football game.

Oct. 9—Carl Gutschow and Howard Karrow enjoy playing practical jokes. It hurts to sit on tacks, boys.

Oct. 13—The senior class committee were heard singing the popular tune, "It's Just Like Looking For a Needle In The Haystack." Instead of finding a needle, they came across an excellent class ring.

Oct. 17—The high school Brain Trust reports to Room 101 to answer the first call for debaters.

Oct. 22—Farmers' in M. H. S. all stand at attention, when the first fire alarm rang, believing it to be the cow bell.

Oct. 26—Kid Walt vs John Clark in one of the most thrilling battles ever staged in the high school assembly with Mr. Armstrong acting as third man in the ring.

THE NICOLET

Nov. 7—School spirit mounts to white heat at the bonfire before the annual Neenah-Menasha game.

Nov. 17—John "Slim" Oppelt spills the popcorn at the Printers' club outing. They all survived the food prepared by Karrow and Zenefski.

Nov. 20—Take advice from Red Pritchard, "Don't let your love go ga-ga!"

Nov. 24—The football men went to Madison to see a "Big League" game. Knowing they were to eat in swell places, they brushed upon their table etiquette.

Nov. 26—Lorraine Brodzinski finds that her locker mirror is much more popular than she is.

Nov. 28—Thanksgiving holiday begins. Our rural friends are one up on our city students. They pass the dead birds on to them.

Dec. 6—"The Bells (belles) of St. Mary's" is a popular tune around the high school. Is it natural magnets?

Dec. 9—Marjorie Schommer economizes—she cuts her own hair.

Dec. 10—"Shorty" Alberts has the right idea about the presidency. He nominated himself and received three votes.

Dec. 19—The spark plug of the third period history class is said to be James Whitehill. It's easy to note the resemblance.

Dec. 20—Margaret Jones' face turned to a deep red when she mistook Waldemar Thompson for a certain "Rich" while standing beneath the mistletoe.

Flag Raisers

EVERY public school throughout the United States boasts at least one evidence of loyalty to our democratic government, the stars and strips, the flag of liberty. A school is not only judged by the large variety of courses it offers, or its athletic prowess, but also by the degree of loyalty displayed by it. Menasha high school, too, boasts a flag, its symbol of democracy. Each morning the flag is raised, and each evening lowered without fail. If some one connected with the school, state, or town succumbs the flag is put at half mast.

Each year two of the trustworthy seniors are appointed to the position of flag raisers. This coveted honor, established in 1930, is prized highly by those who are fortunate enough to be selected for it. The position of flag raiser does not necessarily demand a student of remarkable talent or high scholastic standing, but one who can be depended upon, regardless of any unfavorable situations that may present themselves during the course of the year.

This year Alexander Strange and John Clark were chosen to receive this distinction and have fulfilled their duties conscientiously and faithfully. They carried the complete responsibility for the flag, and took this responsibility seriously.

Douglas Strong: He's in the practice room playing a duet; I finished first.

Peggy Parker: What do you do when you see an unusually beautiful girl?

Helen Plowright: I look for a while, then I get tired and put the mirror down.

THE WEATHER

Mr. Gegan was giving a talk on the weather's behavior in March. "What is it," he asked "that comes in like a lion and goes out like a lamb?"

Bert Rimmel: That's my pop.

DRESSING ROOM TALK

The Fifth Warders and the Third Warders usually argue the topic of which ward is the toughest. Our dignified Richard O'Brien upholds the Fifth, while "Blue Nose" Leopold upholds the Third, and the story goes on.

Richie: "Blue Nose", if a bunch of fellows should pick a brawl with you, you wouldn't even know enough to put up your dukes and offer resistance.

"Blue": Richie, the only resistance you would offer is wind resistance from running so fast.

A woodpecker sat on a Freshy's head

And settled down to drill;
He worked away for half a day
And finally broke his bill!

"Are you a doctor?" asked a young lady, stepping into a drug store.

"Naw", replied the youth behind the white counter, "I'm just the fizzician."

The minister advertised for a man servant and the next morning a neatly dressed young man rang the bell.

"Can you start the fire and get breakfast by seven o'clock?" asked the minister.

"I guess so," answered the young man.

"Well, can you polish the silver, wash the dishes and keep the house neat and tidy?"

"Say, Parson," said the young fellow, "I came here to see about getting married—but if it's going to be as much work as that, you can count me out right now."

Miss Mahar: (to home ec. class) Arlene, can you name any brain food besides fish?

Arlene Gaffney: Noodle soup.

Dear Bernard: Autographs

Well after some years we are back together again. During those first few years in school we sure did have some fun, but during this year we sure had more fun than ever. I'll remember that ~~history~~ class the best although we did have our fun in woodworking. I hope we will be together more next year, in more classes. Here's good luck and success in the future.

Dear Bernard:

Heben, millie, Mable

well to start it out right we sure had

had some good times together the different places together. I don't think I'll ever forget the time across the lake when we came so close to running into something I guess that was close enough to raise anyones hair. How to appleton the many times doing our shopping. with all these fond reminders On leaving school I suppose will be hard to see much of each other but we will always remain best of friends. This summer if we go some place we will rig it out at any time and go. well the page is nearly full and as I come to the end of the page I pause to wish the best of friends lots of luck and success in the future. make the team next year.

Acknowledgement

Just as you are leafing through the pages of this book from cover to cover, so also did we as we eagerly awaited the Nicolet's completion.

But this task was not due to our efforts alone, but also to those who so generously contributed materials, their time, advice, corrections, and useful information. We sincerely appreciate the efforts and help given by these people.

Dear Bernard;
It's been nice knowing you
this year and I hope will
become even better friends
in the next two years
Love Noel.

Dear Bernard:
 I hope you
 have lots of luck in
 the future. Love

Dear Bernard
Wish you much
success in the future.

P.S. Remember me as a
band member in the good old
M.H.S. band.

Dear Bernard —

Hope we become better
acquainted next year — you look
like you might be fun & Bea L.
said you were a good dancer
to boot. What would be nicer. And
you know how to type — which is almost
too much. Patm.
